Re: Hotel Motel and Convention Centre Funds
Fiscal Year 2016/2017 Draft Budget

Date: June 21, 2016

BUDGET HIGHLIGHTS

The combined budgets for the Hotel Motel and Convention Centre funds reflect revenues in excess of expenditures by approximately \$795,000. This amount increases the projected excess reserves for next fiscal year which is estimated to be approximately \$2,600,000 if not additional budget amendments are approved during the current fiscal year.

The Convention and Visitors Advisory Board reviewed the budgets for the marketing and events marketing divisions on May 24, 2016. The members of the Convention and Visitors Advisory Board proposed no change in the budgeted amount for this division.

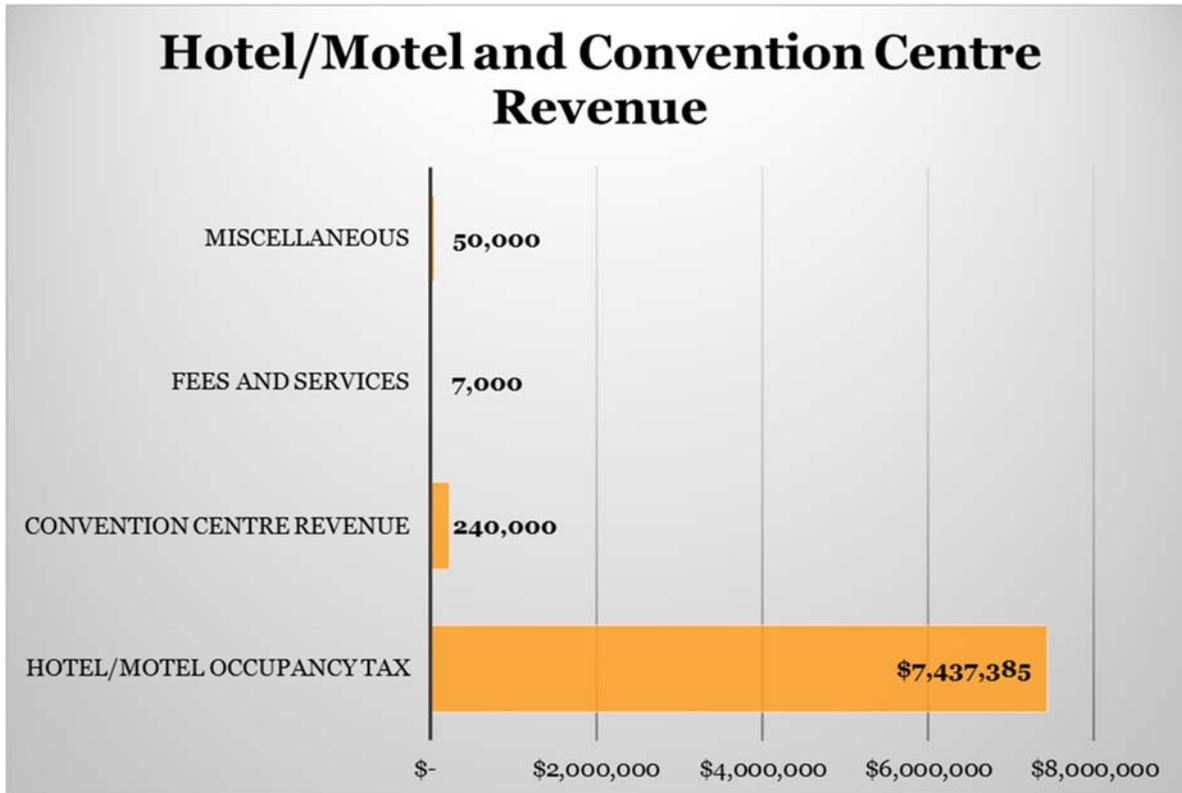

FUND OVERVIEW

Required Reserves

Based on the proposed budget for FY 2016/17, the six months required reserve for next fiscal year would be approximately \$3.4 million. It is projected that the unassigned fund balance at 9/30/2017 will be \$6 million leaving excess reserves of \$2.6 million.

REVENUE HIGHLIGHTS

|---------------------------|---------------------|
| Hotel/Motel Occupancy Tax | \$ 7,437,385 |
| Convention Centre Revenue | 240,000 |
| Fees and Services | 7,000 |
| Miscellaneous | 50,000 |
| Total Revenue | \$ 7,734,385 |

The Hotel/Motel Tax Fund and Convention Centre Fund are used to account for the receipt of the City's local hotel occupancy tax. Collections through the month of May have increased by approximately \$287,000 or 13% compared to the same period in the prior year. Based on the current trends, the proposed budget includes HOT revenues in the amount of \$7,437,385.

HOT tax had significant increases over the past years which allowed the expansion of budgetary allocations for both the Hotel Motel and the Convention Centre funds. Over

the past ten years, HOT revenues had an average increase of 4% which is reflected in schedule below.

Hotel/Motel Tax Collections **

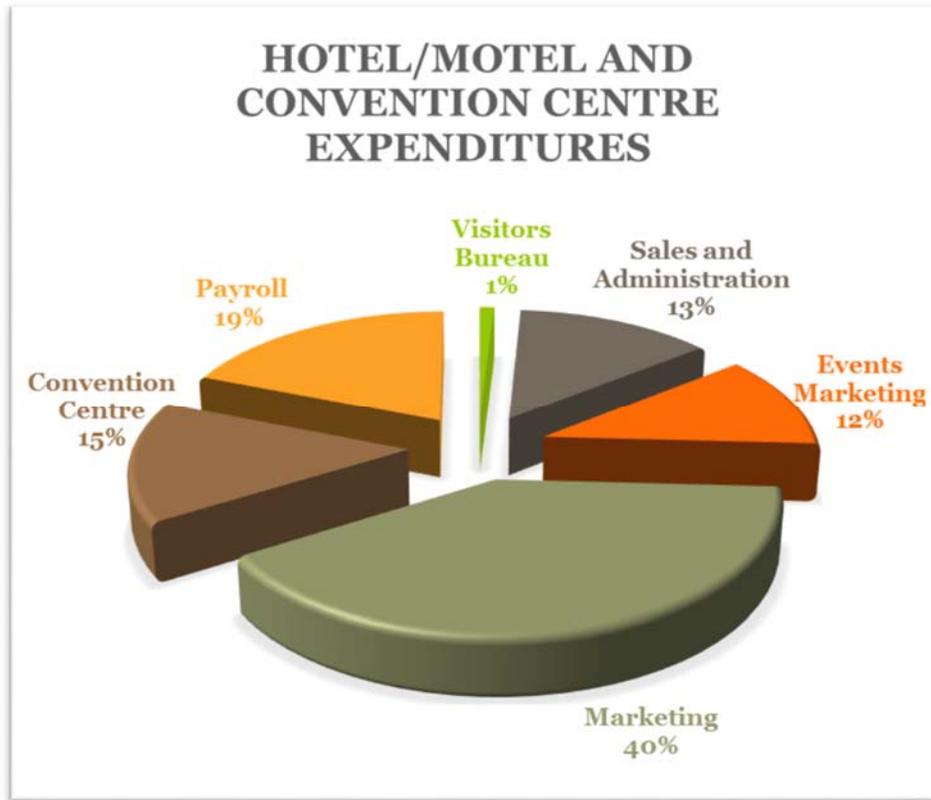

| Fiscal Year | Amount | Percentage of Increase/(Decrease) |

Additional revenue in the amount of \$50,000 has been budgeted for advertising on the Convention Centre website.

EXPENDITURE HIGHLIGHTS

| Expenditure Summary | FY 2016-17 Payroll | FY 2016-17 Operations | FY 2016-17 Budget |
|----------------------------|---------------------------|------------------------------|--------------------------|
| Visitors Bureau | \$ 149,338 | \$ 67,545 | \$ 216,883 |
| Sales and Administration | 640,258 | 921,064 | 1,561,322 |
| Events Marketing | - | 803,418 | 803,418 |
| Marketing | - | 2,800,000 | 2,800,000 |
| Convention Centre | 524,759 | 1,032,478 | 1,557,237 |
| Total Expenditures | \$ 1,314,355 | \$ 5,624,505 | \$ 6,938,860 |

The total proposed expenditures for both the Hotel Motel and Convention Centre Funds are approximately \$6,938,860. Of this amount \$1,314,355, or 19%, are personnel costs that includes the implementation of Phase IV of the Compensation Plan and a 1% COLA for non-eligible employees. The additional proposed payroll cost is estimated to be approximately \$37,600 including benefits and tax burden for the Visitor’s Bureau, Sales & Administration, and Convention Centre Divisions.

Personnel Changes

The proposed budget includes a new CVB Sales Manager position. Adding an additional sales person will allow for sales missions in national, multi-state and regional markets of all targets and types. The current CVB sales team consists of two employees covering all markets in the Rio Grande Valley as well as the greater-Austin, TX area with a focus on state associations. An additional sales person will dramatically increase the frequency of sales missions, and the CVBs ability to attend market-specific tradeshows and events, as well as boost overall sales for the City of South Padre Island on an annual basis.

The CVB has also requested a new Network Technology Manager position. The IT demand and requirements of the Convention Centre and the CVB are substantial and frequently require immediate attention, particularly when a large convention or event is in-house. The scheduling for the use of the Convention Centre, customer relations

management system for convention sales, database for media contacts and new network upgrades all require constant oversight. The addition of digital display monitors through the meeting space and the new digital signage will also require onsite management of this technology. The addition of this staff position will give us immediate real-time supervision and troubleshooting of critical networks onsite for customers, clients, and marketing employees, resulting in improved customer service, sales and marketing effectiveness and overall IT efficiency along with our competitive edge.

Fund 02 – Hotel/Motel Tax

This fund is split into four distinct divisions: Visitors Bureau, Sales & Administration, Events Marketing and Marketing.

Operating Expenses other than Personnel Costs:

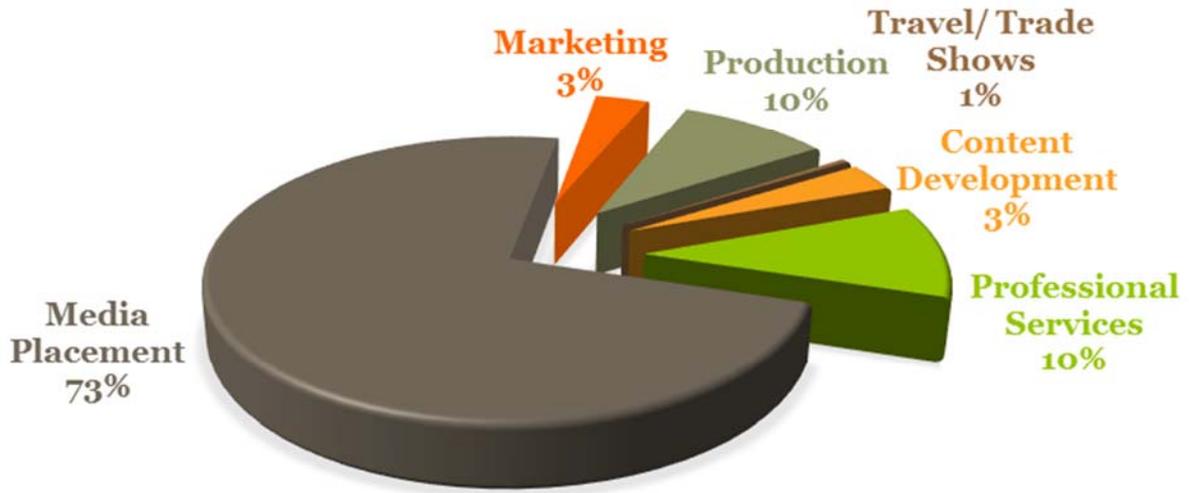

Visitors Bureau: This division is responsible for the maintenance and operations of the Visitors Bureau and projects a reduction of \$1,740 in operating expenditures. The majority of this reduction was associated with costs of miscellaneous services; including a decrease in communications of \$3,000 attributed to a lower negotiated price for the telephone system and rental of equipment decreases of \$1,000. Additional savings are being budgeted in the area of repair and maintenance of building and structures in the amount of \$1,500. For Tourism and Cultural events, \$5,000 has been budgeted to provide a luncheon for approximately 100-120 attendees to celebrate National Travel & Tourism Week. This luncheon would serve to bring recognition to this nationwide celebration.

Sales & Administration: This division is responsible for the promotion of South Padre Island as a destination of choice for travel consumers and is projecting an increase in budgeted operating expenses of \$91,850. This increase is primarily attributed to additional expenditures in accounting, administrative, information technology, and human resources costs which are transferred to the General Fund. Other adjustments in the budget include a decrease in professional services of \$29,500, mainly due to a one-time expenditure in the current year's budget to fund a feasibility study for an Amphitheater. An increase of \$23,000 in service contracts is attributed to a new comprehensive and modern software program allowing the sales and marketing staff to better respond to the needs of our local lodging providers. An increase of \$20,000 in the collateral pieces is proposed to update sales collateral items to match the new SoPadre.com website and The Atkins Group marketing effort.

Events Marketing: This division is responsible for the marketing and managing the special events that are held on the island. Sponsorships totaling \$707,318 have been budgeted for this next fiscal year. As a result of the passage of HB 1717, the city is able to allocate local occupancy tax revenue for ecological tourism as well as spacecraft and spaceport activities. Ecotourism sponsorships are budgeted for \$50,000. This leaves \$657,318 for additional events that may request funding in this next fiscal year. Known and/or recurring events account for \$80,000 of this budget. The known events that have been included in the budget are the choreographed fireworks display shows for 3 summer holidays which have been budgeted for \$80,000, the same as prior years.

Marketing: This division has no personnel costs and is where marketing related expenses are budgeted. Of the proposed \$2.8 million budget for this division, 90% is allocated towards the contract with the current marketing agency, The Atkins Group, which is under contract through September 30, 2016. The terms of the agreement allow for the current contract to be renewed for three additional one-year periods beginning October 1, 2016. Media placement accounts for 73% of the marketing budget.

MARKETING BUDGET SUMMARY

Fund 06 – Convention Centre

This fund also utilizes Hotel Occupancy Tax revenue but is different from the Hotel/Motel Fund as its primary purpose is to fund the physical plant associated with the Convention Centre. The current draft of this budget includes a total allocation of \$1,032,478 (excluding payroll). There is a reduction of \$1,080,000 in building and structures as well as \$117,840 in machinery and equipment due to the completion of the interior renovation of the Convention Centre. However, the proposed budget includes \$200,000 planned for kitchen, temporary platforms as well as other miscellaneous improvements:

| | |
|-------------------------------|----------|
| Staging | \$90,000 |
| Air Handler & Duct Work | 45,000 |
| Miscellaneous | 32,900 |
| Concession & Kitchen Counters | 10,000 |
| Warmers | 8,000 |
| AV Equipment | 7,900 |
| Kitchen Prep Tables | 4,000 |
| Kitchen Prep Tables & Staging | 2,200 |
