#### DEVELOPMENT STANDARDS REVIEW TASK FORCE AGENDA REQUEST FORM

#### MEETING DATE: October 11, 2016

**ITEM:** 5

TO: Development Standards Review Task Force

FROM: Jay Mitchim, Building Official

#### **ITEM DESCRIPTION:**

Discussion and action on proposed changes to the unified sign plan for 410 Plaza located at 410 Padre Blvd.

#### **DISCUSSION:**

Request from Origo-Works to amend the Unified Sign Plan for 410 Padre (AKA 410 Plaza). The request is for the lease spaces to be able to place signs on the rear side (east) of the building, for Russo's to be able to place an additional sign on the North side of the building, and for approval of the submitted monument signs.

#### **Staff Comments**

Staff has no issue with the addition of signage to the east side of the building. Staff would point out that allowing Russo's an additional sign on the north side of the building would give them twice the signage of any other lease space, and exceed the allowable sign area under the ordinance by 100%.

Staff would also point out that while the height and sign area of the proposed monument signs conforms to the ordinance requirements there are issues with the location, configuration, and materials. The location and configuration of the proposed signs raise line of sight concerns. The ordinance calls for a 15 foot setback from the ROW/property line, and the drawings show what seems to be only about 2 feet. The ordinance stipulates the skirting/base of a monument sign that is taller than 8 feet cannot exceed 4 feet in width. The sign ordinance also states that "No Skirting maybe made from metal or plastic materials."

- (37) Lot: A parcel, tract, plot or area of land accessible by means of a street or other permanently reserved principal means of access. It may be a single parcel separately described in a deed or plat, or it may include parts of or a combination of such parcels when adjacent to one another and used as a whole.
- (38) <u>Major Corporate Sponsor</u>: The sponsor of a public event, listed on all advertising and other public promotions, resulting from the contribution of funds, equipment, products, and/or in-kind services to the event.
- (39) <u>Marquee</u>: Any permanent roof-like structure at the entry to a building, which projects beyond the building or extends along and projects beyond the wall of the building, and which generally contains a commercial message(s), and is designed to provide protection from the weather.
- (40) <u>Minimum Sight Triangle</u>: A triangular area bounded by the right-of-way lines of a corner lot and a line connecting the two points on the right-of-way lines measured twenty (20) feet from the point of intersection of the right-of-way lines. For ingress/egress points and private roads, the minimum sight triangle shall be determined using the intersection of the curb line or edge of pavement for the ingress/egress point or private road and the public right-of-way.
- (41) Monument Sign: A freestanding sign, other than a pole sign, which has a skirt, dressed base, or other means of enclosing the structural members which support the sign, and which skirting or dressing has been approved by the Development Standards Review Task Force base must equal at least Fifty Percent (50%) of sign width and not to exceed One Hundred Twenty Percent (120%) of the width of the sign for signs up to Eight (8) feet in height. For signs proposed to be taller than Eight (8) feet in height, the width of the of the approved skirting or dressing must equal a minimum of Fifty Percent (50%) of the sign width, but shall in no case exceed Four (4) feet in width. For the purposes of this Ordinance, the terms "skirting" and/or "dressing" shall mean the enclosing of the structural members which support the sign with materials such as decorative masonry, natural and decorative stone, masonry with a stucco finish, and decorative wood such as redwood or cedar when appropriately finished to prevent decay and discoloration; no skirting may be made from metal or plastic materials. No signage is permitted on the skirting except street address.
- (42) <u>Multi-Pole, Single Pole Sign</u>: A sign whose only structural support consists of exposed poles, posts, beams, or other devices mounted in the ground.
- (43) <u>Office Complex/Multi-Tenant Shopping Center</u>: Means Two (2) or more offices or stores sharing customer parking area, regardless of whether said offices or office establishments occupy separate structures or are under separate ownership.
- (44) Official Sign: Any sign erected by or at the direction of any governmental body.
- (45) Off-Premises Sign: Any sign other than an on-premise sign.
- (46) <u>On-Premises Sign</u>: A sign which advertises only goods, services, facilities, events or attractions available on the premises where located, or identifies the owner or occupant or directs traffic on the premises. All other signs are off-premises signs.
- (47) <u>Owner</u>: A person recorded as such on official records and including duly authorized agent, notary, purchaser, lessee, devisee, or judiciary; anyone having a vested or contingent interest in the property or business in question.
- (48) <u>Painting</u>. The application of paint in the course of normal maintenance which in no way shall alter the message or group of works or letters.
- (49) <u>Parasite Sign</u>. Any sign not exempted by the sign code, for which no permit has been issued, and which is hung from, attached to, or added onto an existing sign.

#### DEVELOPMENT STANDARDS REVIEW TASK FORCE

#### MEETING DATE: October 11, 2016

**ITEM:** 6

TO: Development Standards Review Task Force

FROM: Sungman Kim, Director of Development Services

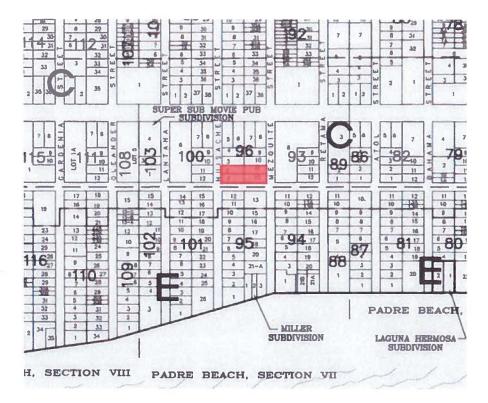

#### **ITEM DESCRIPTION:**

Discussion and action on amending Table 5.1 'Schedule of Uses' in Subsection V of the Section 20-8.9 Appendix "Z" Padre Boulevard and Entertainment District Code to allow retail sale services in "Neighborhood Transition Character Zone (NT)".

#### **DISCUSSION:**

#### The Issue

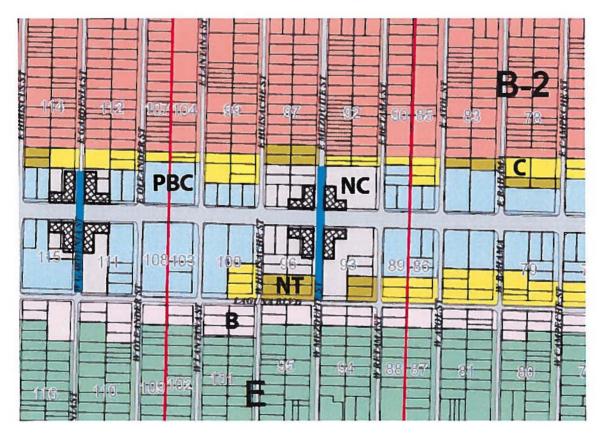

- 1. Currently, retail sale services are not allowed in Neighborhood Transition Character Zone (NT);
- Ace Hardware (a retail service) intends to move from the current location at LOT 9 BLK 28 PADRE BEACH SUBDIVISION SECTION III to LOTS 1, 2, & 3 BLOCK 96, PADRE BEACH SECTION VII, where Lots 1 & 2 are within NT zone; and
- 3. The owner (Columbia Padre Boulevard LLC) also wants to seek if LOTS 11 & 12 BLOCK 96, PADRE BEACH SECTION VII, where Lots 11 & 12 are within NT zone, can be rezoned to accommodate retail services.

#### DEVELOPMENT STANDARDS REVIEW TASK FORCE

#### **The Findings**

- 1. NT zone has not been consistently applied throughout the City and, in many cases, discontinued and replaced by District "C" (Business District), which is the most intensive commercial zone in the City. This raises concerns in **zoning consistency**;
- 2. According to Padre Blvd Entertainment District Code 4.2.8, "the Neighborhood Transition Zone is intended to provide for *a range of smaller scale commercial* (*retail, office, and live-work*) and residential transitions between Padre Boulevard and the neighborhoods to the east and west of the boulevard." However, according to Table 5.1 'Schedule of Use', offices, condominiums, townhomes and surface parking can only be accommodated in NT. This raises concerns in conformity; and
- 3. Although, the original request was rezoning, staff found that an amendment to Table 5.1, by adding retail sale services to NT, would satisfy the need, and this amendment will also make NT in compliance with its' original intent.

#### **Staff Recommendation**

Staff recommends the DSRTF approve the proposed amendment to Table 5.1 'Schedule of Uses' in Subsection V of the Section 20-8.9 Appendix "Z" Padre Boulevard and Entertainment District Code to allow retail sale services in "Neighborhood Transition Character Zone (NT)".
