

The Island Way...

Let Your Voice Be Heard!

The Comp Plan meeting is scheduled on Tuesday, June 19 from 4 p.m. - 7 p.m. at the Birding Center.

South Padre Island is in the process of updating its plan for the future, "The Island Way – South Padre Island's Comprehensive Plan." This plan is a collective effort between the residents, businesses, the City Council, staff and all associated stakeholders to chart the course for South Padre Island's future growth.

More than 500 survey responses were been received! Your input will be an important part of the development of the plan.

(Seasonal/Part Time)

Keep It Green

The Environmental Health Services Department, in conjunction with Republic Services, provides the community with a drop-off location to recycle household items.

The City recycling hours are every Saturday from 8 a.m. to 11 a.m. at the Community Center, located at 4501 Padre Blvd.

Republic Services provides 18-gallon recycling containers to residential areas that wish to subscribe to the weekly Recycling Collection Program.

To subscribe to the program, call Republic Service customer service at (956) 392-7017.

Did you know?

When your brush and tree trimmings are collected monthly they go to the Brownsville Landfill where they are turned into mulch and eventually compost. This mulch is available for purchase from them where it can be used in your landscaping projects. For additional information, please call (956) 546-4357.

Council Highlights

The City Manager introduced new City staff members and recently promoted staff members to the City Council and community.

City Council approved a budget amendment in the amount of \$50,000 from CVB excess reserves to be allocated for a funding request from Friends of the RGV Reef for the development of fishing infrastructure.

The City Council approved -Change Order No. 1 for the 2018 Street Reconstruction Project in the amount of \$141,256.30. The 2018 Street Reconstruction Project will now include West Palm Street.

The City Council approved a contract amendment with Kimley-Horn for preparation of a Master Drainage Plan in the amount of \$141,300. This plan will identify drainage issues and propose solutions.

Introduction of newly hired and promoted staff members.

The City Council approved the second and final reading of Ordinance No. 18-17 providing for a Specific Use Permit allowing for the expansion and operation of an "outdoor amusement" park at 1201 Padre Boulevard.

Spring Break debriefing

City Council held a Spring Break Debriefing Workshop on June 13. Staff presented many financials, performance data metrics and comparisons to previous years.

The presentation is available on the City's website at www.myspi.org.

Spring Break Debrief and Assessment

Finacial transparency portal lunched

The City of South Padre Island has launched an online financial transparency portal. This portal provides multiple years of information that enhances the accountability of the City's financial operations.

Within the next month, performance data metrics will be added and updated on a regular basis. Users can gauge the City's performance on a number of issues and will have a better understanding of how the City is serving the community.

Visit www.myspi.org and click the "Transparency" button on the left side of the page to view the City's financial portal.

Financial Transparency

Shoreline Master Plan survey update

Shoreline Director Brandon Hill presented an update and discussion on the HDR Master Plan survey results. More than 400 survey responses were received and this plan will be incorporated into the Comprehensive Plan.

A few of the highlights include:

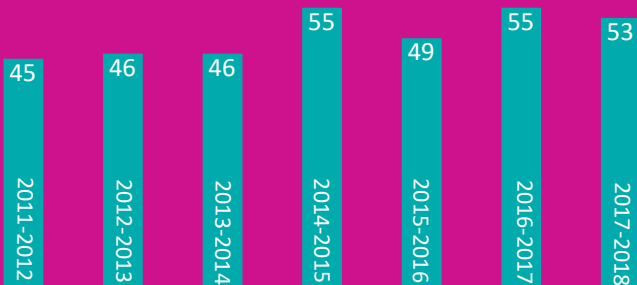

- Number of interviews requested: 67
- Survey went live on April 4 through April 20.
- Nearly 75 percent of respondents live or work on South Padre Island.
- Respondents were primarily concerned about the environment, conservation and beach access.

DMAIC update

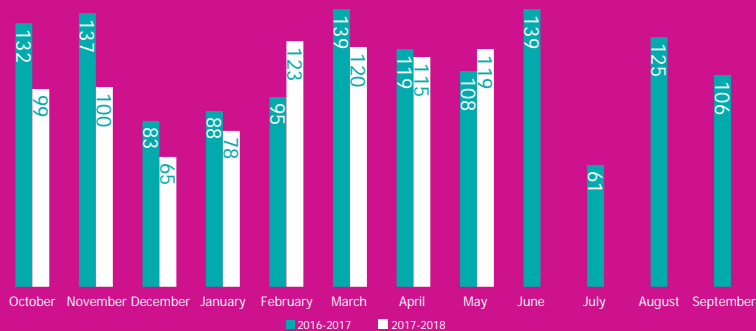

Public Works Director Alex Sanchez presented an update on the South Padre Island Fleet Maintenance DMAIC.

First implemented in 2017 to help improve the City's fleet, this is a replacement program and incorporates a maintenance plan.

Approved Qualified Natural Habitat Lots

Monthly Building Permits Issued
