

Applicant & Owner Information

In filling out this form, please note that the term **Owner/ Co-Applicant** is used to denote that the owner of the subject property is considered to be a party to this application and that the owner has authorized its submission, even when the primary applicant is not the current legal owner of the subject property. Applications for Site Plans within the Padre Boulevard and Entertainment District will be reviewed for compliance with the Padre Boulevard Entertainment District (PBED) Code. City Staff will meet within 15 days of the receipt of a complete application forward their recommendation to the City Manager for final action. A pre-application meeting with the Development Services Director is encouraged for appropriate information on the process and materials to be submitted for review. Please refer to the Padre Boulevard and Entertainment District Form-Based Code User Guide for information on the applicability of the PBED on proposed development. **See Page 5 of this application for an overview of the typical application process for development within the PBED.**

Site Plan Drawing Architectural Drawings

Submit copy of drawings that illustrates the items in the following list. A site plan must be submitted for all new construction projects, including building additions and for open space projects, parking areas, site landscaping and screening projects. Exterior rehabilitation and renovation projects, facade maintenance and interior only projects with no exterior features added do not require the submission of a site plan, but do require submission of building plans, architectural elevations and renderings as needed to demonstrate compliance with the Building Design and Architectural Style Standards.

- Title block containing the name of the project, type of application, name and address of the applicant, plan preparer and owner and a written and graphic scale.
- Site plan showing all existing and proposed building locations, dimensioned parking areas if applicable, access locations, easements and any other features existing or to be placed on the property.
- Location of the subject property including delineation of Character Zones, Street Designation along all its street frontages and special frontage requirements (if any).
- When subdivision of land is required, the layout of proposed blocks, lots, streets, easements, alleys, and trails, if any, consistent with this ordinance and other ordinances and plans, as applicable.
- All proposed uses on the property and/or buildings. For buildings with mixed uses, indicate all uses within entire building (on all floors).
- Compliance with the building form and development standards for the Character Zone in which the property is located (refer to User Guide for applicability of the PBED Code).
- Distances, by dimension, of buildings to property lines and existing or proposed parking facilities (include parking layout).
- Building plans, architectural elevations and renderings of proposed building(s) and proposed renovations of existing building(s) including demonstration of compliance with Section VIII Building Design Standards and Section IX Architectural Style Standards.
- Any other information that may be reasonably necessary to review and determine whether the proposed project complies with PBED Code.
- Refer to attachments for additional information.

Description of Proposed Use/ Activity

In the space below or on an attached sheet, describe clearly and accurately the proposed use, activity, work, etc.

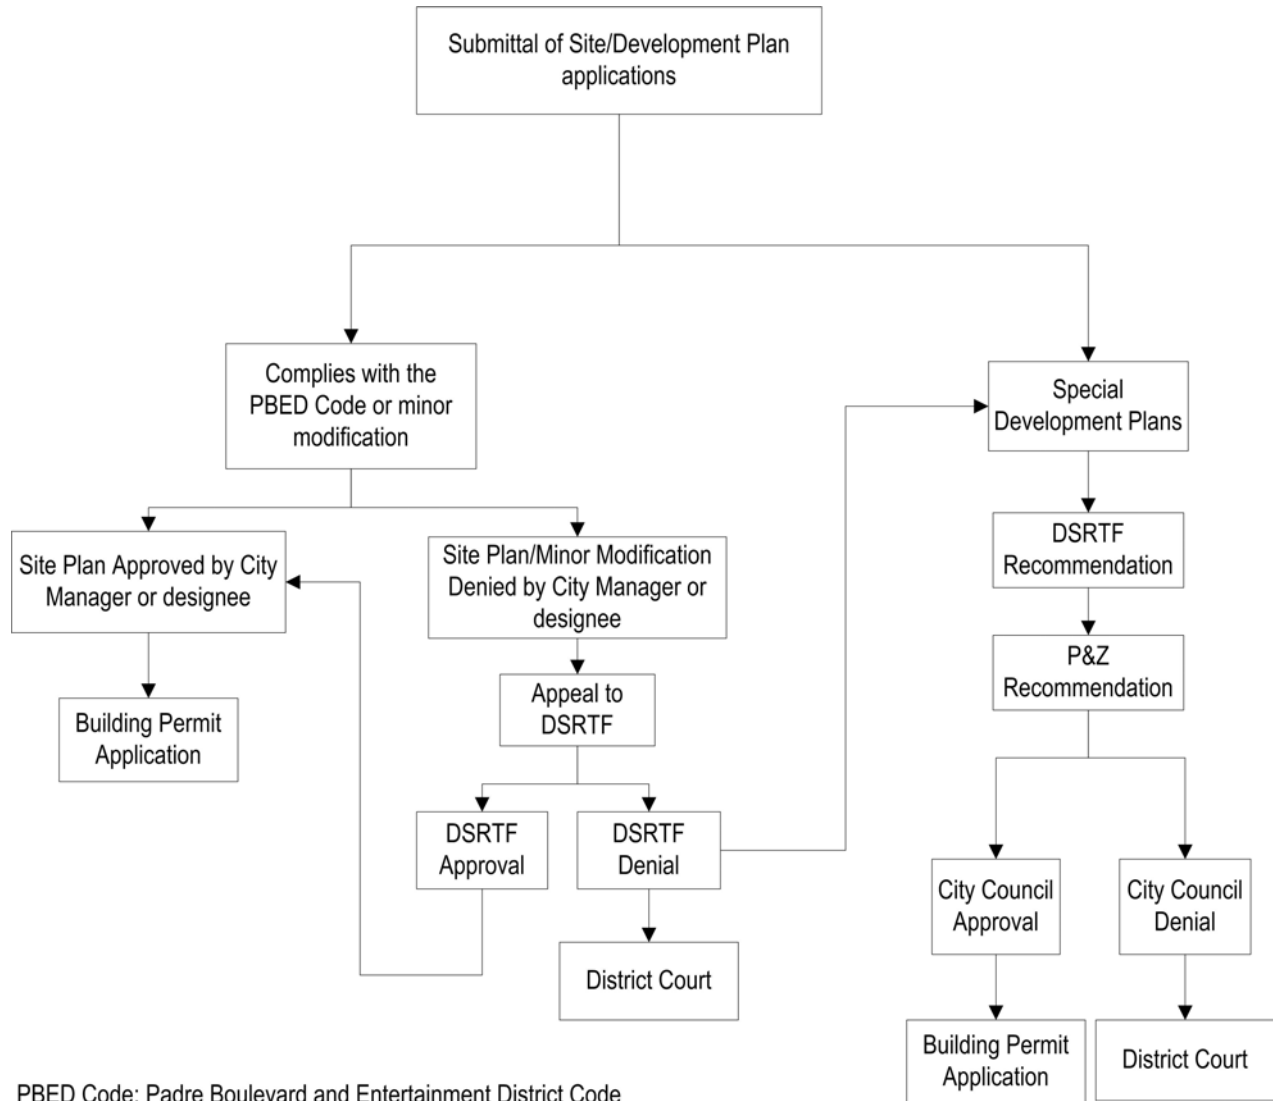

A large, empty rectangular box with a thin black border, located at the bottom left of the page. It is intended for the applicant to describe the proposed use, activity, or work.
