## A: PLAT VACATION OVERVIEW

### **GENERAL INFORMATION**

This packet outlines the procedures and submittal requirements necessary to obtain approval of a vacation of a subdivision plat within the City of South Padre Island planning jurisdiction. The planning jurisdiction includes the city limits and the extraterritorial jurisdiction (ETJ). The regulatory requirements and procedures for approval are defined in Chapter 212 of the Local Government Code of the State of Texas.

LGC Sec. 212.013. VACATING PLAT.

- (a) The proprietors of the tract covered by a plat may vacate the plat at any time before any lot in the plat is sold. *The plat is vacated when a signed, acknowledged instrument declaring the plat vacated is approved and recorded in the manner prescribed for the original plat.*
- (b) If lots in the plat have been sold, the plat, or any part of the plat, may be vacated on the application of all the owners of lots in the plat with approval obtained in the manner prescribed for the original plat.
- (c) The county clerk shall write legibly on the vacated plat the word "Vacated" and shall enter on the plat a reference to the volume and page at which the vacating instrument is recorded.
- (d) On the execution and recording of the vacating instrument, the vacated plat has no effect.

Additional information about the subdivision process and code requirements can be obtained prior to submitting an application by contacting the Department of Development Services, 4601 Padre Boulevard, South Padre Island, TX 78597, phone 956-761-8112, or by visiting the City of South Padre Island's Development Services website at <http://www.myspi.org/departments/index.php?structureid=23>.

### **WHAT IS A PLAT VACATION?**

A plat vacation destroys the force and effect of the prior subdivision on the subject property. A total vacation eliminates an entire subdivision plat, including all lots and public rights-of-way, as well as any restrictions that may have been contained on the plat.

Once the vacation document has been properly prepared, signed, notarized, approved and recorded, the real estate description reverts to the original survey or any underlying subdivision. A lot may not be partially vacated; the vacation must include the entire lot.

Please be advised that the Department of Development Services cannot recommend approval of a vacation of a lot or plat which receives utility services unless the property is legally platted with a legal lot from a previous underlying subdivision or is concurrently replatted. To replat the property, a new subdivision application must be filed in addition to the vacation application. **Also, be aware that all plat vacations require the signatures of 100% of the property owners in the subdivision who own intact original lots as shown on the original plat as required by State Law per Section 212.013 of the Local Government Code. Applications will not be accepted without all of the signatures having been obtained prior to submittal for completeness check.**

### **WHO APPROVES PLAT VACATIONS?**

Under state law, vacations must be approved in the manner that the original plat was approved. Therefore, if the original plat was approved by the City's Planning and Zoning Commission, approval by the Commission is required to vacate the plat. If the original plat was approved by the County Commissioners Court, approval by the Court is required to vacate the plat (County Commissioners Court approval is not required if the site is now located in the full purpose jurisdiction of the City). If the original plat was approved administratively, then it can be vacated by approval of the authorized staff.

## **B. PLAT VACATION PROCEDURES**

The procedures for review and approval of plat vacation applications are summarized below:

### **STEP 1: COMPLETENESS CHECK**

The formal application must be submitted to the Department of Development Services. No appointment is necessary. Staff reviews the application and pertinent information to determine if all required administrative items have been submitted. Staff then forwards it to the team, which determines whether the technical items needed for review have been submitted.

An application for completeness check must include:

- Plat Vacation Application Form (see attached);
- Plat Attributes Survey (see attached);
- Vacating of Plat Form with all required signatures and notaries (see attached);
- Laguna Madre Water District's Certification (see attached);
- Current Tax Certificate(s) for lot(s) or plat to be vacated (see attached).
- Current Title Report or Attorney's Title Opinion showing ownership of lot(s) or plat to be vacated;
- Eight folded copies of plat to be vacated (or plat containing lot(s) to be vacated);
- A short statement as to the reason that vacation is being requested; and
- \$500.00 application fee (check, cash, money order or credit card);

### **STEP 2: UPDATE INTO COMPLIANCE**

If it is determined that the application does not comply with applicable regulations after the initial review, the applicant must file an update in order to bring it into compliance.

### **STEP 3: PLAT VACATION APPROVAL AND RECORDATION**

Once all requirements have been met, the staff will notify the applicant that the plat vacation can either be approved administratively or scheduled for Planning and Zoning Commission approval if necessary. If Commission approval is necessary, the staff will inform you of the date and time of the public hearing. In addition, if the subdivision is located in Cameron County in the City of South Padre Island's Extraterritorial Jurisdiction, County Commissioners Court approval may also be required after the Planning and Zoning Commission approves the vacation.

After approval, you will be required to submit the vacation documents for recording with the Cameron County Clerk's Office at:

964 E. Harrison Street  
Second Floor Administration Bldg.  
P.O. Box 2178  
Brownsville, TX 78520
