### **SPI Queen Isabella Causeway Boardwalk repairs completed**

**South Padre Island, TX, Oct. 13, 2017:** The City of South Padre Island is proud to announce the [Queen Isabella Causeway Boardwalk](#) is open. Repairs were made to 24 pilings, guardrails and new gates have been installed. The boardwalk will be open during daylight hours and provides access over the Laguna Madre for fishing enthusiasts of all ages.

The Queen Isabella Causeway Boardwalk was built in 1999 with a grant from the Texas Department of Transportation that included the monument sign and several bus stops in the immediate area.

“The boardwalk connects the walking trail adjacent to Padre Boulevard,” said Brandon Hill, shoreline director. “It also allows pedestrians to continue walking without crossing the roadway .”

Ongoing maintenance work is scheduled for repairs as needed.
