Beach Walkover Ribbon Cutting Ceremony scheduled

South Padre Island , Tx, Feb. 16, 2018: The City of South Padre Island Shoreline Department invites the community to a Beach Walkover Ribbon Cutting Ceremony for three Beach and Dune Walkover Projects. The ceremony is scheduled for Friday, March 2 at 10 a.m. This event will be held at [Ocean Circle Beach Access 2](#).

Beach Walkovers Ocean Circle, Moonlight Circle and Seaside Circle were part of the Coastal Management Program Grant that has been completed. The walkovers are now open to the public. Each walkover has been built with stronger, more durable materials and constructed with respect to the surrounding dune systems.

“Ocean Circle was undeveloped and has been transformed the most, which is why we chose this access for the ribbon cutting,” said Brandon Hill, shoreline director. “We are happy to provide the community with world-class amenities.”

The new walkovers will provide better accessibility to the beach and include more parking spaces, water fountains and bike racks. The height of the walkovers allows sand dunes to naturally grow, without being blocked by the structures.

Please come join us to celebrate this momentous accomplishment, with a program and refreshments, and to tour the new walkovers.
