**Multimodal Transit Facility Groundbreaking Ceremony Scheduled**

**South Padre Island, TX, April 20, 2018:** The City of South Padre Island Transit Department invites the community to its Multimodal Facility Groundbreaking Ceremony. The ceremony is scheduled for Tuesday, April 24 at 2 p.m. This event will be held at the new Park & Ride site, located at [321 Padre Blvd.](#) (across from Stripes).

The Multimodal Facility Phase II Project includes a 2 story, 11,772 square-foot building located at the base of the Queen Isabella Memorial Bridge. The facility will serve as a bus transfer station for eastern Cameron County.

Phase I of the project included construction of the Park & Ride site with 125 parking spaces, taxi circulation, pedestrian sidewalk, bus berths and a bus transfer area. The facility construction completes the total project.

“The new Multimodal Project will provide much-needed passenger amenities, driver amenities, administrative offices and rental space,” said Jesse Arriaga, transit director. “This facility will also serve as a permanent home for the Island Metro rural bus service.”

The City of South Padre Island welcomes this new facility and invites the public to attend this groundbreaking ceremony. Refreshments will be served.
