

Press Release from Friends of Animal Rescue

May 2, 2018

Friends of Animal Rescue has announced a capital campaign shelter building fund. The fundraising campaign will be formally introduced at Raise the Ruff.

Due to community support, Friends of Animal Rescue has been able to care for over 600 plus animals per year at their current location, but their vision for the future cannot be achieved in our current building. In fact, the facility was never designed to be a shelter. Proper ventilation and more space is required to meet the needs of South Padre Island's animal population.

The goal is to raise over \$500,000 to cover the cost of the land and building. The campaign committee believes that with the generosity of the Laguna Madre residents they will be able to meet their goal within the next five years.

Information regarding the campaign is available at Friends of Animal Rescue's South Padre Island Animal Shelter and Recovery Center located at 4908 Padre Blvd, on the rescue's website at www.spifriendsofanimalrescue.com and will also be available at Raise the Ruff, Saturday, May 19 at Laguna Bob's from 6:30 to 8:30 PM.
