Composter loan program

The City of South Padre Island Environmental Health Services Department (EHSD) is launching the Composter Loan Program available to residents of South Padre Island. This composter is easy to use and has a tumbling design that will help residents implement green practices of their own.

Requirements for the Composter Loan Program:

- 90-day loan agreement
- Refundable \$50 deposit
- Composting Made Easy training

For more information contact the EHSD at (956) 761-8123.

Open house meeting scheduled

The City of South Padre Island would like to invite the public to an open house meeting regarding the reconstruction of four additional side streets. This meeting is scheduled for Wednesday, Aug. 15 at 4 p.m. at City Hall, located at 4601 Padre Blvd.

The four streets under review are listed below:

- West Mars Lane
- West Georgia Ruth Drive
- West Polaris Drive
- A portion of East Mars Lane toward Gulf Boulevard

This project will improve the street conditions, drainage and increase pedestrian mobility by adding sidewalks on select streets. The project is scheduled to begin in October. Once started, it should take about three months and will cost approximately \$345,000.

Letter to the City

Friends of RGV Reef President Gary Glick has written a letter thanking the City and the Convention and Visitors Advisory Board for their support of the reef.

The City's \$50,000 contribution will provide transportation of approximately 900 tons of recycled concrete railroad ties to the reef.

Additionally, the City will be given access to the site to place an underwater "South Padre Island" sign.

Did you know?

The Shoreline Department cleans the beach early in the mornings. To ensure the equipment can travel through safely, beach shade devices are not permitted before 9 a.m. For additional information on shade devices, please call (956) 761-8123.

Council Highlights

At the meeting held on Wednesday Aug. 1, the City Council held a public hearing on the 2018-2019 Property Tax Rate and the 2018-2019 five-year Capital Improvement Plan. The City tax rate will remain the same rate as last year.

Shoreline Director Brandon Hill presented an update on the Nearshore Berm Nourishment and the Particle Tracer Study. The nourishment is complete and the tracer study will begin on Aug. 14.

The City Council approved the first reading of Ordinance No. 18-19 amending Chapter 4.

Highlights of Chapter 4 amendments:

- 18 items were amended
- The amendments allow developers and contractors to choose how they will comply with building codes as opposed to the previous ordinances dictating what materials will be used or prohibited.
- Most of the changes are updating ordinances that have been in place since 1978!
- The use of alternate designs and materials help reduce the cost of construction and labor.
- Though the amendments reduce restrictions, the protection of the public is not being compromised.
