ITEM

Discussion and possible action on restroom facility solutions to service beachgoers.

ITEM BACKGROUND

The City of South Padre Island City Council and Shoreline Task Force are seeking to identify long-term goals to solve the need for restroom facilities associated with our beach accesses. This can include short-term approaches but must have an actionable objective that will beautify and fortify our accesses and assist our year-round beachgoers.

Upon meeting on September 5, 2018, the City Council and Shoreline Task Force requested that they reconvene on September 26, 2018. City staff was instructed to explore costs and factors associated with employing restroom trailers and “green flush” style restrooms.

BUDGET/FINANCIAL SUMMARY

Pending Shoreline Task Force recommendation and City Council decision.
