Budget Highlights

The Annual Budget outlines the programs and services provided by the City to the citizens of South Padre Island. As such, the budget is one of the most important decisions that the City Council makes every year as it determines projects to be funded, services to be provided to the citizens and visitors, and the related cost.

The City Manager, Budget Committee, and the Finance Department worked closely with various department directors to create the budget. This process included the establishment of detailed business plans by each department.

Provided below are some highlights and major projects of the City included in the 2025-26 Budget:

Revenues

- The 2025 proposed tax rate is \$.262159/\$100.
- As of May 28, 2025, sales tax collections reflected a decrease of 0.6% compared to FY 2024/25. Considering this information and taking a conservative approach, the City's FY 2025/26 sales tax projection was calculated as 100% of FY 2024/25 of September thru February actual collections and 104% of FY 2023/24 March thru August collections which results in a total budgetary amount of \$4,058,849.
- The City's Hotel Occupancy tax collections allocated to the Hotel Motel and Convention Center Funds are expected to produce revenues in the amount of \$11,853,599. Total Hotel Motel and Convention Center revenue is anticipated to be \$12,549,599.
- The Beach Nourishment Fund is funded with one-half percent of the local hotel motel tax collected by the City. This fund's projected revenue for the 2025-26 fiscal year is \$1,150,850.
- State Occupancy Tax, which is allocated to the Beach Maintenance Fund, is projected to be \$2,963,400.
- The Venue Project Fund established in Jan. 2017 to provide for the development of a venue project is projected to collect revenues in the amount of \$2,963,400 for FY 2025-26.

Expenditures

- The adopted budget includes a 3% cost of living adjustment (COLA). The citywide cost of the proposed COLA is \$344,091, of which \$252,581 is allocated to the General Fund and \$44,234 to the CVB.
- Based on coverage rates available at this time, an increase of 3% for health insurance is expected. The total budgeted medical benefit cost for the City is \$1.5 million.
- No personnel additions are being proposed.
- The Information Technology (IT) Department has budgeted the following:
 - An overall increase of \$7,159 is included for software due to anticipating price increases.
 - New IT Ticketing System for \$700.
 - LENSEC software for \$2,800. This software was requested by the Fire Department to manage surveillance cameras data and video retention.
 - New Granicus broadcasting server for \$6,850 to avoid server interruption due to hardware failure.
 - Firewall upgrades for the Police Department for \$6,000 to maintain hardware and software security compliance.
 - Printer for CID for \$2,600 to improve efficiency.
 - Starlink internet service for \$4,000 to provide internet to first responders in areas without service.
 - Cloud back-up storage (Backblaze) for \$2,210 to have backups off premises.

As part of the annual replacement plan, \$25,000 has been budgeted for the annual computer replacement program.

- City Council: The total for City Council is \$26,000.
- The City Manager's Office's budget, less personnel cost, for this department is \$127,596. The decrease of \$4,000 is mainly due to decreases in local meetings and residence stipend which were offset by increases in auto allowance, training and travel expense, advertising, decorations, and employee committees expense line items.
- The Finance Department's operating expense budget increased by \$9,614 for a total of \$42,045. This increase is primarily associated with increases to professional services.

4601 Padre Boulevard • South Padre Island, Texas 78597 • 956.761.6456

- The Planning Department operating expense budget increased by \$2,000 related to an increase in advertising.
- The Human Resources Department operating expense budget increased by approximately \$3,300. The increase is mainly attributed to the awards expense line item which increased by \$2,000 as well as the furniture & fixtures expense line item which increased another \$1,000.
- The Municipal Court proposed an increase of \$4,040 to their operating expense budget attributed to an increase of \$5,000 in professional services and a \$960 decrease in communications.
- The Police Department proposed a significant decrease of \$55,696 to their operating expense budget. The main reason for this decrease is due to one-time expenditures budgeted in FY 2024/25 for tasers, body cameras, and radios.
- The Fire Department's operating expense budget is \$481,187, which is a slight increase of \$500 compared to FY 2024/25. The adopted budget includes \$10,000 to integrate whole blood transfusion into the City's EMS system to improve trauma resuscitation and patient outcomes. Additionally, the total training line item has an increase of \$10,000 for a total budget of \$36,174.
- The Environmental Health Services' operating expense budget increased by \$5,584, which is mostly attributed to increases in line items related to goods and supplies.
- The Fleet Management division's budget (excluding payroll) is \$428,603. There was an overall decrease to this department's budget of approximately \$429,000. The main reason for this decrease is due to one-time expenditures budgeted in FY 2024/25 for motor vehicles and machinery & equipment for approximately \$306,000 and \$48,000, respectively. Additionally, significant decreases totaling \$19,381 in goods and supplies line items and \$60,261 in repair and maintenance line items are proposed for FY 2025/26.

The following vehicle purchases have been approved for Fiscal Year 2025-26:

- No vehicle purchases are proposed from the General Fund for FY 2025/26 as the purchases are expected to take place during the current fiscal year.
- The Facilities and Grounds Maintenance division's budget (excluding payroll) decreased by \$14,800 or 13.06% from the year prior for a total budget in the amount of \$98,542. The decrease is directly attributed to a one-time project (fuel pit) that was finished in the current fiscal year.

4601 Padre Boulevard • South Padre Island, Texas 78597 • 956.761.6456

- The Building Inspections' budget (excluding payroll) increased by \$6,600 for a total of \$98,542. This increase is mainly attributed to costs associated with advertising.
- The Public Works' budget (excluding payroll) is \$301,334. There was an overall decrease in this department of approximately \$203,000. This is due to non-recurring expenditures budgeted in FY 2024/25 including landscape (\$6,500), streets & ROWs (\$26,900), professional services related to the flood risk management project (\$167,000), and the PW yard project (\$8,000).
- The Emergency Management division's budget (excluding payroll) totals \$19,870.
- The General Services budget is to cover the general overhead of the City's shared resources such as electricity, water/sewer, insurance, auditing, and legal services. This division is projected to have an increase of approximately \$21,000 for a total amount of \$1,331,341.
- The Special Project's budget is to cover transfers to other funds for special projects as well as miscellaneous services. Included in this department are transfers to the Transit Department of \$200,000, the Capital Replacement Fund in the amount of \$225,000, as well as the Parks, Recreation and Beautification Fund for \$240,000. The total adopted budget in Special Projects amounts to \$797,500.
- The Venue Tax Fund's adopted budget reflects anticipated revenues of \$3,113,400. An annual debt service transfer associated with the issuance of the 2017 Venue Tax Bond is budgeted in the amount of \$510,838. The 2% Venue portion of the local Hotel Occupancy Tax is allocated to provide funding for City venue projects. In addition, \$125,223 is budgeted for expenses related to the maintenance of the Padre Blvd. medians.
- The Parks and Recreation Committee uses the Parks, Recreation, and Beautification Fund to cover expenses related to hosting community events. A total of \$18,925 is budgeted for these type of events. The maintenance and improvement costs associated with park developments are also included in this fund. The adopted budget for parks maintenance is \$15,000.

The adopted budget notes a significant decrease of \$140,992 which is mainly attributed to the following one-time expenditures budget in Fiscal Year 2024/25:

4601 Padre Boulevard • South Padre Island, Texas 78597 • 956.761.6456

- Buildings & structures: \$96,967 for construction costs related to the pickle ball courts project.
- Park improvements: \$31,665 for shade structures and lights for the basketball pavilion located at John L. Tompkins Park
- The Transportation Fund anticipated revenues consist of state and federal funds in the amount of approximately \$1.6 million, along with local funds from the Port Isabel EDC for \$75,000, a \$255,000 General Fund contribution, as well as a \$55,000 CVB contribution. A total of \$93,710 has been budgeted for revenue associated with office rental at the Multimodal. - The total proposed expenditures for both the Hotel Motel and Convention Center funds are \$10,719,406. Of this amount, \$2,181,878 or 20%, are personnel costs. The adopted budget includes a 3% cost of living adjustment (COLA). The proposed additional cost associated with this is approximately \$44,000.
- The Visitors Bureau division's budget, less personnel cost, is \$55,948, no changes from the FY 2024/25 budget. The budgeted cost associated with the lease at the Multi-Modal facility remains at \$24,260. The rental fee includes maintenance and utilities.
- The Sales & Administration division's budget, less personnel cost, is \$1,277,067. The operating expense budget reflects a decrease of approximately \$235,000. The decrease is mainly due to the net effect of changes in professional services, convention services, and service contracts. In the FY 2024/25 budget, the professional services expense line item includes a one-time allocation for \$334,000 associated with a Second Causeway, which is not proposed in the FY 2025/26 budget. In the FY 2025/26 adopted budget, there are increases in the convention services (increase \$52k), and service contracts (increase \$17k) expense line items.

4601 Padre Boulevard • South Padre Island, Texas 78597 • 956.761.6456

- The Events Marketing budget includes \$ 711,096 for sponsorships, which is a decrease of \$15,943 compared to the FY 2024/25 budget. Additionally, the City allocated local occupancy tax revenue for ecological tourism in the amount of \$50,000, a \$50,000 decrease from the FY 2024/25 budget. Furthermore, known and/or recurring events that have been included in the budget are the choreographed fireworks display shows for three summer holidays, which have been budgeted for \$80,000, no increase from the FY 2024/25 budget.
- The proposed Marketing budget for next fiscal year is approximately \$5.025 million.

Of the \$5,025,000 budget for this division, 43.2% or \$2,170,000 is allocated to the expenditures associated with the marketing agency.

The proposed contractual amount plus estimated travel expenses with the agency is as follows:

Description	Budget
Social Media Strategy, Analytics, & PR	\$ 610,000
Media Placement	1,200,000
Agency Commssion	200,000
Brand "The Island" Campaign	100,000
Social Media Campaign	50,000
Agency Travel	10,000
Total	\$ 2,170,000

- In terms of media placement, the total budgetary amount for this line item is \$3,484,900 which includes \$1,550,000 allocated for the marketing agency, \$700,000 for sports related media placement, \$400,000 for media placement specifically for the fall, the RGV and winter Texans, \$400,000 for spring break placement, and \$434,900 for other media placement.
- The SPI Historical Museum division was created to account for expenses related to the existing lease agreement with the South Padre Island Historical Foundation. This includes the payment of utilities, building maintenance, janitorial services, building insurance, and provide landscaping/grounds maintenance related to the building located at 610 Padre Blvd. The total adopted budget for this division amount to \$41,000, same as last FY 2024-2025.
- The current draft of Convention Center Fund budget includes a total allocation of \$1,188,846 (excluding payroll). There is an overall increase of approximately \$50,000 in operation expenses mainly associated with budgeted funds for two golf carts for approximately \$24,200 and a transfer to the General Fund to cover a portion of Fleet Department personnel costs for approximately \$20,500.
