Stay Warm and Weather-Ready

With a significant cold front expected to arrive this Saturday and last through Tuesday, Jan. 27, the City of South Padre Island is urging the community to begin their winter weather preparations now.

While local officials have been informed that the power grid is in a favorable position, Mayor Patrick McNulty reminds us that this front will be a true test of the system, and everyone should be prepared for potential outages.

Oral Rabies Vaccination Program Begins

The City of South Padre Island Environmental Health Services Team will assist the Texas Department of State Health Services (DSHS) Zoonosis Control Division with the Oral Rabies Vaccination Program.

Baits containing the rabies vaccine will be distributed on Thursday, January 29, 2026, weather permitting, throughout the City in non-populated areas that may attract coyotes. The baits are made of a fishmeal casing with a pouch in the center that contains the rabies vaccine.

The public is advised to avoid disturbing the baits, which are clearly marked with warning signs. If a person or animal comes into contact with the bait, please contact the

Texas Department of State Health Services at (956) 444-3212 or visit www.texasorvp.org.

Bulk Trash Pick Up

You can place bulky items in the right-of-way from January 25th until the end of the month. Republic Service will pick them up during the first three business days of February.
