TOTALS	238	299	315

Happy New Year!

In the interest of your pet’s health and safety, take a moment to review all documents regarding vaccinations and registrations.

Be careful with seasonal plants and decorations.

Avoid Mistletoe & Holly: Holly, when ingested, can cause pets to suffer nausea, vomiting and diarrhea. Mistletoe can cause gastrointestinal upset and cardiovascular problems.

Tinsel-less Town: Kitties love this sparkly, light-catching "toy" that's easy to bat around and carry in their mouths. But a nibble can lead to a swallow, which can lead to an obstructed digestive tract, severe vomiting, dehydration and possible surgery.
