South Padre Island Fourth of July Weekend Fireworks

Celebrate Independence Day with an extended weekend full of fun and fireworks!

SOUTH PADRE ISLAND, TX – Celebrate our nation’s independence with an Island getaway full of fun and fireworks. Friends, family, and individuals of all ages can have fun taking part in the annual 4th of July Beach Parade, and multiple dazzling fireworks displays across the South Padre Island.

Start your celebration early with bayside fireworks beginning Thursday, June 30th through Friday, July 1st, and beach side fireworks beginning Friday, July 1st through Saturday, July 2nd. Bayside fireworks can be seen best on the decks of one of the many bars and restaurants in our “Entertainment District” along Laguna Boulevard and beachside fireworks can best be enjoyed at the hotels, bars, or restaurants located at the north end of the Island near the Convention Centre.

On Monday, July 4th, the South Padre Island Parks, Recreation & Beautification Committee will proudly be sponsoring the 4th of July Beach Parade, featuring a new shorter route. Join this free event and walk, stroll, and roll your way across the beach! Decorate your bikes, wagons, strollers, and even yourself for a chance to win great prizes. Prizes will be awarded for best costume, group, bike, and wagon or stroller. This year’s parade will also feature the new SPLASH Water Fun, provided by the South Padre Island Fire Department. Free watermelon, festive beads, and flags will also be given away while supplies last. Lineup for parade participation will begin at 9:00 a.m. at Beach Access #20 (Gay Dawn), and the parade will begin at 9:30 a.m.

Finally, end your Independence Day celebrations with a brand new, spectacular 20-minute bayside fireworks display and special beach side fireworks display. All displays will begin at 9:15 p.m.
