Sand, Sun, and Fun

This is the first beach renourishment the City has had since 2016!

While the City anticipates this project to be completed by June 26th, it will provide approximately 100 - 150 feet of beach depth.

This much-needed sand will provide a bigger beach for all to enjoy!

Recycling

Shout out to these amazing recyclers! They have been keeping SPI Beautiful for decades!

Bring your recyclables to 4501 Padre Blvd. EVERY Saturday from 8 a.m. to noon!

Leave nothing but footprints!

Fourth of July Holiday

South Padre Island is an exciting place to celebrate the Fourth of July that allows visitors to return home with great memories. All visitors are encouraged to become familiar with the City's ordinances.

Below are some tips to help you enjoy and celebrate your holiday safely:

- Please utilize the many modes of public transportation.
- Lock up vehicles and valuables.
- Glass containers are prohibited on the beach.
- While enjoying the beach, drink plenty of water to stay hydrated.
- **No glass on the beach!**
- If you lose or find a pet please call the 24-hour Friends of Animal hotline at (956) 772-1171.
- The sand and pavement can get too hot for pet paws. Avoid taking your dogs out during peak sun times. If the sand or pavement is too hot for you, it is for them also.

Search the City's Ordinance's [here!](#)

Traffic Control

This week, the Port Isabel and South Padre Island Police Departments met to discuss, strategize, and prepare for the busy Fourth of July Holiday weekend!

As there is only one way on and off the Island, traffic control will be in full force working to assist motorists through traffic.

Here are some ideas to alleviate being in traffic:

- Avoid driving during peak times.
- Utilize the City's transit system! The Island Metro is a **FREE** deviated fixed-route system that operates within the City of South Padre Island and Port Isabel! View schedules and routes [HERE!](#)
