The Story Behind Our Story

Friends of Rio Grande Valley Reef is a 501(c)3 non-profit organization dedicated to assisting on permitting and funding an artificial reef north of the South Padre Island jetties in State waters. RGV Reef was founded in 2015, out of growing concern for the Gulf of Mexico' marine life decline. Our Gulf's ecosystem is threatened by a variety of events such as overfishing, red tide, pollution, and debris that result in habitat loss. Our main purpose is to support the creation and maintenance of marine habitat with artificial reef deployment in the coastal waters offshore of South Padre Island, Texas.

Vision

The primary program objectives are to provide a socioeconomic benefit to local communities and to enhance private recreational & charter fishing. RGV Reef is also dedicated to advance sustainable population, to help community capacity building and to gain broad-based public support for on-going marine conservation and habitat enhancement.

Values

South Padre Island's primary industry is tourism and recreation related support businesses. A sound, sustainable community relies on strong economic growth to provide jobs, products, services and a steady revenue source. Thus, Building the artificial reef habitat system is a unique approach that provides tremendous economic and quality-of-life opportunities.

IT'S A WIN-WIN-WIN SITUATION FOR RESIDENTS, VISITORS, AND THE ENVIRONMENT

Environmental Benefits

The low relief reef not only grows baby red snapper, it also grows innumerable small bait fish, primarily the perch-like Longfin Porgy. Having a large forage base near the high relief reef allows it to attract and hold more fish. The glass minnows we see in shallow nearshore waters also use these structures to grow into adult sardines. menhaden and pogies as they move offshore and become food for everything we all love to catch.

Economic Development

We are going to make a really great place to fish, and do our damnedest to make a reef that puts fish back in the Gulf. Dale Shivley, Director of the Artificial Reef Division for the Texas Parks and Wildlife envisions a multimillion dollar installation, efficiently placed based on quantifiable research, placed over years, we agree.

WHO ARE WE?

Friends of Rio Grande Valley Reef is dedicated to assisting on permitting and funding an artificial reef north of the South Padre Island jetties in State waters. Texas Parks and Wildlife Artificial Reef division is currently processing the permits for 1600 acre reef site. This reef will contain the normal large reefing components like pyramids, shrimp boats, culverts, and concrete rip rap.

WHAT DO WE KNOW?

The low relief reef not only grows baby red snapper, it also grows innumerable small bait fish, primarily the perch-like Longfin Porgy. Having a large forage base near the high relief reef allows it to attract and hold more fish. The glass minnows we see in shallow nearshore waters also use these structures to grow into adult sardines, menhaden and pogies as they move offshore and become food for everything we all love to catch.

The proposed reef site is 10 times the size of a normal 160 acre reef.

This is to provide an extensive area of low relief scattered patch reefs. The importance of low relief reef materials, patches of small rubble scattered enough to not aggregate big fish, is only very recently being recognized as a critical missing steppingstone for the survival of juvenile fish. The problem is, when the little fish swim over to the big reef, the big fish eat them.

WHAT NEXT?

We are going to make a really great place to fish, and do our damnedest to make a reef that puts fish back in the Gulf. Dale Shivley, Director of the Artificial Reef Division for the Texas Parks and Wildlife envisions a multimillion dollar installation, efficiently placed based on quantifiable research, placed over years, we agree.

We could not do what we do without our volunteers. Join us, share your brilliant ideas, and together we can deliver outstanding fishing in our Gulf.

BNC EDC Manager Report September 2016

Attended the ANCA Summit in Minnesota August 16 – 21 (association of nature center administrators). I attended a facilitated session on: Are you hearing Crickets or Chorus Frogs? Communicating with and engaging your Board of Directors and Shinning Stars: Finding, hiring and engaging staff to be their best. I attended 2 workshops: Performance Management & Coaching, and The Three Pillars of Nature Center Leadership, and Change Leadership. We also toured a few State Parks and Nature Centers. I picked up literature from the centers to get ideas that we can establish here at the BNC.

World Shore Bird Day and Texas Hunting & Fishing Expo at the convention Center September 3 were both a complete success. World Shore Bird Day had 169 visitors and identified 18 different shorebirds. This was a free event that Javier coordinated with volunteers and created all the information for the games and presentation. At the Convention Center, we had a booth making different bird crafts and had a nice turn out. We now have a Kids Corner in the lobby where we have different crafts children can make while visiting the center.

We have proceeded with the November /December ad in Birders Digest. This is a Co-op advertising campaign with the 9 World Birding Centers. 38,000 distribution in the US and 2,000 in the World.

There is an ad of the BNC in the latest issue of Birders Digest that was put out from the CVB and is nicely done. The Ad for the Valley Wedding Pages will be coming out for the Fall/Winter Edition.

I attended the WORLD BIRDING CENTER meeting on August 24th in Weslaco. They will bring back the old BOD to select a nominating committee to form a new BOD with a board president. I will update you on the progress.

I attended the ANCA –RGV meeting on August 25th and after the meeting I met with Alter Holland who owns 7 lots next to the Valley Land Fund Lots on Sheepshead. We also toured his Los Fresnos Property. Collen Hook from Quinta Mazatlan was asked to get a few people together to come up with a plan for his properties so he can present to his family.

Javier attended the Texas Children in Nature Meeting that was held September 9 at the Valley Nature Center. The RGV Texas Rocks website is completed and we can now post our events for children on that site.

We will be having our 7 year Anniversary Party on September 24th. Please stop by for some cake and see what is happening at the center. We will have crafts and games for the children and it will be free admission day.

September 28 the will be the volunteer and staff appreciation party for working so hard this past summer. Feel free to come meet the wonderful staff and volunteers on our back deck from 5:15 – 7:00pm.

We are currently working on restructuring the Board of Directors for the BNC. We have made some Job responsibilities and expectation list for the Board. We will be going from 5-8 members.

Bill Beaty, one of our volunteers who help with school groups and leads the Friday Morning nature walk has put together a proposal for the BOD to consider purchasing 25 decent binoculars that we will rent out. What we rent out now all our poor quality and he feels if we had nicer equipment, we may help someone experience a WOW moment and get hooked on nature.

I presented to the CVB board our marketing plan for WOWE and proposed budget. We requested \$2,000.00 to help with our print advertising.

We are moving forward with planning WOWE which will be held on January 24 – 28, 2017. Johnathon Wood be will here Friday & Saturday.

October 1 is our first planting day and we will have volunteers from Texas Master Naturalist and the center help with planting about 15 new trees and shrubs.

Gift shop is doing great, please stop by and see all the new merchandise.

As always, daily operations of overseeing the bank deposits, maintenance issues and gift shop keep me busy.

Respectfully Submitted,

Cristin Howard

Occupancy tax is 14.5% as of July 2009. 8.5% is collected by the City of South Padre Island monthly, and 6% by the state of Texas quarterly. Any hotel or condo visit longer than 30 days is tax exempt. Percentages of change March vs. April are partially the result of the month in which Easter falls. The monthly occupancy tax reports from the finance office include any late payments received from properties behind in their taxes. The City reports them in the month they are paid.

Darla Lapeyre SPI Economic Development Corp. 6801 Padre Blvd. South Padre Island, TX 78597

Dear Darla,

On behalf of the South Padre Island Chamber of Commerce Business Services Committee, I wanted to take a moment to thank you, and your board, for sponsoring the September 19, 2016 Quarterly Public Affairs Luncheon. We are looking forward to hearing from Brad Smyth, Tourism Director with the Office of the Governor.

As sponsor of the luncheon you will have ten (10) seats reserved in your name. Please feel free to invite whomever you wish to sit at your table. If you have room at your table, we can seat the guest speaker with you, if not; we will seat him next to your table so you will have a better opportunity to visit with him one on one. Once you have your guest list please give us a call and we will add them to the reservation list. I have checked with Smyth's office and they stated he will be attending alone, so we would only need one seat, if possible.

The luncheon will be held at the Isla Grand Beach Resort, and the program will begin with a buffet luncheon opening at 11:45 a.m. Staff will arrive at 11:00 am to begin set-up and registration. We will set the program for the speakers to begin at approximately 12:10 p.m.

If you have any banners or handouts you would like to use please feel to bring them with you or contact me in advance and I can pick them up.

Again, thank you for your sponsorship. For your convenience I have enclosed your invoice. If you have any questions please feel free to contact me at 761.4412 or 455.1830.

Sincerely,

Vanna
