Drainage Master Plan open house scheduled

South Padre Island, TX, July 25, 2018: The City of South Padre Island would like to invite the public to an Open House meeting for the Drainage Master Plan on Wednesday, Aug. 1 at 4 p.m. at City Hall, located at [4601 Padre Blvd.](#)

The Drainage Master Plan will analyze the City's drainage infrastructure and assess the City's capability to promote growth and the ability to adequately drain stormwater. The public is encouraged to attend and participate in the development of the plan.

"The development of this plan can minimize the potential for flooding in the event of a storm," stated Darla Jones, Assistant City manager. "Drainage issues affect neighborhoods, businesses and the entire community."

This meeting will provide an opportunity to be involved, suggest priorities and strategies.
