### **Phase II Side Street Paving Project open house scheduled**

**South Padre Island, TX, Aug. 3, 2018:** The City of South Padre Island would like to invite the public to an Open House meeting regarding the reconstruction of four additional side streets. This meeting is scheduled for Wednesday, Aug. 15 at 4 p.m. at City Hall, located at [4601 Padre Blvd.](#)

The four streets under review are listed below:

- West Mars Lane
- West Georgia Ruth Drive
- West Polaris Drive
- A portion of East Mars Lane towards Gulf Boulevard

This project will improve the street conditions, drainage and increase pedestrian mobility by adding sidewalks on select streets. The project is scheduled to begin in October. Once started, it should take about three months and will cost approximately \$345,000.

"We are committed to improving the City's street network in conjunction with the Master Thoroughfare Plan," said C. Alejandro Sanchez, Public Works director. "This is a great opportunity for the community to attend and examine the project in greater detail."
