Island Metro Multi-Modal facility dedication and ribbon ceremony scheduled

South Padre Island, TX, July 3, 2019: The City of South Padre Island invites the community to its Island Metro Dedication and Ribbon Cutting Ceremony. The ceremony is scheduled for Friday, July 12 at 10 a.m. This event will be held at the new Island Metro Multi-Modal Facility, located at [321 Padre Blvd.](#)

This facility will be named after South Padre Island's longest-serving mayor, Robert N. Pinkerton, Jr., in honor of his dedication and contribution to the City.

In April 2018, phase II construction began and included a 2 story, 11,772 square foot building, pedestrian sidewalk, bus entrance/exit, circulation, berths and a bus transfer area. The construction of the facility completes the project.

The new Multimodal Project will provide much-needed passenger amenities, driver amenities, administrative offices, rental space, as well as, a permanent facility for the Island Metro rural bus service, Shoreline department and the Visitors Center.

The City of South Padre Island welcomes this new facility and invites the public to attend the ceremony with a program and refreshments.
