### **UPDATE**

#### **Power outages continue on SPI**

**South Padre Island, TX, Oct. 21, 2019:** AEP has restored power to 65 percent of the Island and will continue to work throughout the night to restore power to other portions of the Island, which is estimated to be tonight or tomorrow morning.

All vehicle and pedestrian traffic will continue to use Laguna Boulevard and Gulf Boulevard through Wednesday. The Queen Isabella Memorial Bridge is open, expect traffic delays.

The South Padre Island Police Department, Cameron County, along with other City departments will be working together to manage personnel and traffic control barrels and cones that will be placed in areas to enhance the flow of traffic.

Click AEP's link below to check power outages:
