Fourth of July fireworks canceled

South Padre Island, TX, June 26, 2020: Due to the increase in COVID-19 cases, the City of South Padre Island has canceled the Fourth of July Firework show scheduled for Saturday, July 4, 2020, in the Bay near the Entertainment District.

Everyone is asked to do their part in safeguarding themselves and others. Again, follow the protocols set in place by the CDC, Governor Abbott and the Cameron County Judge.

"The Fourth of July holiday will be different without the firework show this year," said Patrick McNulty, mayor. "If we follow the protocols and decrease in new cases, we may try to have two firework shows during the Labor Day weekend."

The City of South Padre Island will always put the community's well-being first.

Tips to prevent the spread of COVID-19:

- Wash hands with soap and water for at least 20 seconds.
- Wear a face covering.
- Avoid touching eyes, nose or mouth with unwashed hands.
- Avoid close contact with people who are sick.
- If you are sick, isolate yourself from others in your home and call your doctor to determine what care you need.
- If you require medical attention, call ahead before going to a doctor's office or emergency room.

For more information visit the City's COVID-19 website at:
