

REVISED

**NOTICE OF CITY COUNCIL REGULAR MEETING
CITY OF SOUTH PADRE ISLAND**

WEDNESDAY, AUGUST 5, 2020
5:30 PM AT THE MUNICIPAL BUILDING,
CITY COUNCIL CHAMBERS, 2ND FLOOR
4601 PADRE BOULEVARD, SOUTH PADRE ISLAND, TEXAS

1. Call to order

2. Pledge of Allegiance and Texas Pledge

3. Public Comments and Announcements:

This is an opportunity for citizens to speak to Council relating to agenda or non-agenda items. Speakers are required to address Council at the podium and give their name before addressing their concerns. [Note: State law will not permit the City Council to discuss, debate or consider items that are not on the agenda. Citizen comments may be referred to City Staff or may be placed on the agenda of a future City Council meeting]

4. Approve Consent Agenda:

- 4.1. Approve minutes the July 15, 2020 Regular Council Meeting, July 15, 2020, Workshop, and the July 29, 2020, Special City Council Meeting. (Soto)
- 4.2. Approve invoices for payment. (Gimenez)
- 4.3. Approve budget amendment to allocate a reimbursement related to the Coronavirus Aid, Relief and Economic Security (CARES) Act in the amount of \$31,163. (Gimenez)
- 4.4. Approve Quarterly Investment Report for the quarter ending June 30, 2020 as prepared by Valley View Consulting, L.L.C. (Gimenez)
- 4.5. Approve second and final reading of Ordinance No. 20-05 amending Chapter 2 of the Code of Ordinances of the City of South Padre Island by providing for the change or establishment of all fees imposed for services by the City. (Gimenez)
- 4.6. Approve excused absence request for Council Member Alita Bagley from the July 15, 2020 City Council Workshop. (Bagley)

5. Regular Agenda

- 5.1. Public hearing regarding the 2020/2021 – 2024/2025 Capital Improvement Plan (CIP). (Delgado)
- 5.2. Update, discussion, and possible action regarding Padre Boulevard beautification and enhancement. (Bagley, McNulty, Ricco)

Agenda: AUGUST 5, 2020

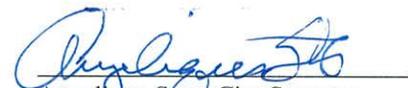

- 5.3. Discussion and action related to the width of the sidewalk to the windsport park. (Sanchez)
- 5.4. Discussion and action to allow the City Manager to sign the Texas General Land Office's contract for the Coastal Management Program's Cycle 24 project, an investigation and assessment on the beach and dune system, and to approve a budget for the same. (Boburka)
- 5.5. Discussion and possible action to modify and extend the emergency order regarding beach operations. (McNulty)
- 5.6. Discussion and action to approve Order of General Election for Municipalities for the November 3, 2020 general election for the purpose of election two Council Members (Mayor and Place 4). (Soto)
- 5.7. Discussion and possible action on PR 100 Median plan change to include a turning lane at or near Clipper Lane. (Ricco, Sanchez)

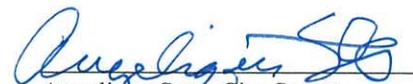

6. Adjourn.

We Reserve The Right To Go Into Executive Session Regarding Any Of The Items Posted On This Agenda, Pursuant To Sections 551.071, Consultation With Attorney; 551.072, Deliberations About Real Property; 551.073, Deliberations About Gifts & Donations; 551.074, Personnel Matters; 551.076, Deliberations About Security Devices; And/Or 551.087, Discuss (1) Commercial Or Financial Information Received From A Business Prospect With Which The City Is Conducting Negotiations, Or (2) Financial Or Other Incentives To The Business Project.

DATED THIS THE 31ST OF JULY 2020.

 Angelique Soto, City Secretary

I, THE UNDERSIGNED AUTHORITY, DO HEREBY CERTIFY THAT THE ABOVE NOTICE OF MEETING OF THE CITY COUNCIL OF THE CITY OF SOUTH PADRE ISLAND, TEXAS IS A TRUE AND CORRECT COPY OF SAID NOTICE AND THAT I POSTED A TRUE AND CORRECT COPY OF SAID NOTICE ON THE BULLETIN BOARD AT CITY HALL/MUNICIPAL BUILDING ON **THIS THE 31ST OF JULY 2020.**, AT/OR BEFORE 5:30 PM AND REMAINED SO POSTED CONTINUOUSLY FOR AT LEAST 72 HOURS PRECEDING THE SCHEDULED TIME OF SAID MEETING.

 Angelique Soto, City Secretary

THIS FACILITY IS WHEELCHAIR ACCESSIBLE, AND ACCESSIBLE PARKING SPACES ARE AVAILABLE. REQUESTS FOR ACCOMMODATIONS OR INTERPRETIVE SERVICES MUST BE MADE 48 HOURS PRIOR TO THIS MEETING. PLEASE CONTACT BUILDING OFFICIAL, BELINDA TARVER AT (956)761-8103.

- F. UPDATE ON MONTHLY BUILDING PERMIT ACTIVITY FOR THE MONTH OF JUNE 2020. (MEDDERS)**

VI. REGULAR AGENDA

- A. DISCUSSION AND ACTION TO APPROVE THE 2020-21 ANNUAL BUDGET FOR THE ECONOMIC DEVELOPMENT CORPORATION. (LAPEYRE)**

Council Member Dalton made a motion, seconded by Council Member Ricco to approve the 2020. The motion passed with a 5 to 0 vote with Council Member Bagley abstaining.

- B. DISCUSSION AND POSSIBLE ACTION TO APPROVE RESOLUTION NO. 2020-12 AUTHORIZING THE CITY OF SOUTH PADRE ISLAND ALONG WITH THE SOUTH PADRE ISLAND HISTORICAL FOUNDATION TO APPLY AND EXECUTE DOCUMENTS RELATED TO SAID APPLICATION FOR FUNDS FOR THE SPI HISTORICAL MUSEUM UNDER THE RULES AND REGULATIONS OF THE U.S. DEPARTMENT OF COMMERCE, ECONOMIC DEVELOPMENT ADMINISTRATION (E.D.A.).**

Council Member Ricco made a motion, seconded by Council Member Bagley to approve Resolution No. 2020-12. Motion carried unanimously.

A true and correct copy of said Resolution was placed in the City's Resolution Book and entitled Resolution No. 2020-12, and, by reference hereto, included in these Minutes as if fully set out and spread upon the pages of the Minutes Book.

C. DISCUSSION AND ACTION TO APPROVE THE FINAL DESIGN FOR THE SKATE PARK TO BE LOCATED WITHIN JOHN L. TOMPKINS PARK. (SCHWARTZ)

Council Member Schwartz made a motion, seconded by Council Member Medders to approve the final design for the Skate Park located at John L. Tompkins Park. Motion carried unanimously.

D. DISCUSSION AND POSSIBLE ACTION ON PR 100 MEDIAN PLAN CHANGE TO INCLUDE TURN LANES AT CAROLYN DRIVE. (RICCO, SMITH, SANCHEZ)

Council Member Ricco made a motion, seconded by Council Member Schwartz to approve the PR 100 Median Plan change to include turn lanes at Carolyn Drive. Motion passed on a 4 to 2 vote with Council Members Dalton and Bagley casting a nay vote.

E. DISCUSSION AND POSSIBLE ACTION ON PR 100 MEDIAN PLAN CHANGE TO INCLUDE A TURNING LANE AT OR NEAR CLIPPER LANE. (RICCO, SMITH, SANCHEZ)

Council Member Ricco made a motion, seconded by Mayor McNulty to table this item. Motion passed unanimously.

F. UPDATE REGARDING THE COLLECTIONS OF PAST DUE FINES ISSUED BY THE COURT. (MEDDERS, MCNULTY)

Director of Operations Wendi Delgado provided an update to the Municipal Court collection on past due fines and the City's efforts on collections.

G. DISCUSSION AND ACTION TO EXTEND THE CITY'S DECLARATION OF A LOCAL STATE OF DISASTER DUE TO COVID-19 VIRUS EPIDEMIC TO 11:59 P.M. ON MONDAY, AUGUST 31, 2020. (MCNULTY)

Council Member Bagley made a motion, seconded by Council Member Schwartz to extend the City's Declaration of a Local State of Disaster due to COVID-19 virus epidemic to 11:59 p.m. on Monday, August 31, 2020. Motion carried unanimously.

H. DISCUSSION AND POSSIBLE ACTION TO MODIFY AND EXTEND THE EMERGENCY ORDER REGARDING BEACH OPERATIONS. (MCNULTY)

Council Member Ricco made a motion, seconded by Mayor McNulty to modify the emergency order regarding beach operations to include that no canopies, tents, or single-pole structures larger than 8 feet (96-inches) in diameter will be allowed on

the beach and to extend the order through August 5, 2020, at 11:59 p.m. Motion carried unanimously.

VII. EXECUTIVE SESSION:

A. CLOSED EXECUTIVE SESSION: PURSUANT TO TEXAS GOV'T CODE, 551.071, CONSULTATION WITH ATTORNEY; 551., DELIBERATIONS ABOUT REAL PROPERTY; A CLOSED EXECUTIVE SESSION WILL BE HELD TO DISCUSS REAL PROPERTY AND DISCUSSION OF LAND ACQUISITION IN REGARDS TO THE RESTORE ACT GRANT.

At 7:24 p.m., Council Member Bagley made a motion, seconded by Council Member Ricco to go into Executive Session. Motion carried unanimously.

At 7:34 p.m., the City Council reconvened into open session.

B. DISCUSSION AND POSSIBLE ACTION REGARDING THE RESTORE ACT FUNDS AND POSSIBLE PURCHASE OF REAL PROPERTY.

No action was taken.

VIII. ADJOURN.

There being no further business, Mayor McNulty adjourned the meeting at 7:35 p.m.

Angelique Soto, City Secretary

APPROVED

Patrick McNulty, Mayor

**MINUTES

V. ADJORN.

There being no further discussion, Mayor McNulty adjourned the meeting at 11:29 a.m.

Angelique Soto, City Secretary

APPROVED

Patrick McNulty, Mayor

**MINUTES
CITY COUNCIL SPECIAL MEETING
CITY OF SOUTH PADRE ISLAND**

WEDNESDAY, JULY 29, 2020

I. CALL TO ORDER

The City Council Members of the City of South Padre Island, Texas held a Special Meeting on Wednesday, July 29, 2020, at the Municipal Complex Building, 2nd Floor, 4601 Padre Boulevard, South Padre Island, Texas. Mayor McNulty called the meeting to order at 11:00 a.m. A quorum was present: Mayor Patrick McNulty, Council Members Ken Medders, Jr., Kerry Schwartz (arriving at 11:04 a.m.), Joe Ricco, Alita Bagley and Eva-Jean Dalton.

City staff members present were City Manager Randy Smith, Director of Operations Wendi Delgado, Chief Financial Officer Rodrigo Gimenez, CVB Director Ed Caum, Chief of Police Claudine O'Carroll, Fire Chief Jim Pigg, and City Secretary Angelique Soto.

II. PLEDGE OF ALLEGIANCE AND TEXAS PLEDGE

Mayor McNulty led the Pledge of Allegiance and the Texas Pledge.

III. APPROVE CONSENT AGENDA

Mayor McNulty moved Consent Agenda Item A to the Regular Agenda Item as 5.01 (a.) to allow for discussion of Resolution 2020-14.

a) APPROVE RESOLUTION 2020-14 DESIGNATING AN OFFICER OR EMPLOYEE TO CALCULATE THE NO-NEW-REVENUE AND VOTER-APPROVAL TAX RATE FOR TAX YEAR 2020. (GIMENEZ)

Council Member Bagley made a motion, seconded by Council Member Schwartz to designate Chief Financial Officer Rodrigo Gimenez to calculate the no-new-revenue and voter approval tax rate for tax year 2020.

A true and correct copy of said Resolution was placed in the City's Resolution Book and entitled Resolution No. 2020-14, and, by reference hereto, included in these Minutes as if fully set out and spread upon the pages of the Minutes Book.

IV. REGULAR AGENDA

A. DISCUSSION AND ACTION TO ACCEPT THE SUBMISSION OF THE CAPITAL IMPROVEMENT PLAN (CIP) AS REQUIRED BY SECTION 5.09 OF THE HOME RULE CHARTER. (DELGADO)

Council Member Dalton made a motion, seconded by Council Member Bagley to accept the submission of the Capital Improvement Plan. Motion carried unanimously.

B. DISCUSSION AND ACTION TO APPROVE FIRST READING OF ORDINANCE NO. 20-05 AMENDING CHAPTER 2 OF THE CODE OF ORDINANCES OF THE CITY OF SOUTH PADRE ISLAND BY PROVIDING FOR THE CHANGE OR ESTABLISHMENT OF ALL FEES IMPOSED FOR SERVICES BY THE CITY. (GIMENEZ)

Council Member Dalton made a motion, seconded by Council Member Bagley to approve the first reading of Ordinance No. 20-05 amending Chapter 2 of the Code of Ordinances of the City of South Padre Island by providing for the change or establishment of all fees imposed for services by the City. Motion carried unanimously.

C. DISCUSSION AND ACTION TO ACKNOWLEDGE THE SUBMISSION OF THE 2020-21 PROPOSED BUDGET TO COMPLY WITH THE SIXTY (60) DAYS REQUIREMENT OF THE SOUTH PADRE ISLAND HOME RULE CHARTER SECTION 5.02. (GIMENEZ)

Council Member Bagley made a motion, seconded by Council Member Schwartz to acknowledge the submission of the 2020-21 proposed budget to comply with the sixty days requirement of the South Padre Island Home Rule Charter Section 5.02

D. DISCUSSION AND ACTION TO APPROVE RESOLUTION NO. 2020-15 BY THE CITY COUNCIL OF THE CITY OF SOUTH PADRE ISLAND, TEXAS TO APPROVE THE PROPOSED TAX RATE FOR THE NOTICE OF THE MEETING TO VOTE ON THE 2020 TAX RATE. (GIMENEZ)

Council Member Schwartz made a motion, seconded by Council Member Ricco to approve Resolution No. 2020-15 by the City Council of the City of South Padre Island, Texas to approve the proposed tax rate for the notice of the meeting to vote on the 2020 tax rate.

A true and correct copy of said Resolution was placed in the City's Resolution Book and entitled Resolution No. 2020-15, and, by reference hereto, included in these Minutes as if fully set out and spread upon the pages of the Minutes Book.

V. ADJOURN

There being no further business, Mayor McNulty adjourned the meeting at 11:22 a.m.

**CITY OF SOUTH PADRE ISLAND
CITY COUNCIL
AGENDA REQUEST FORM**

MEETING DATE: August 5, 2020

NAME & TITLE: Rodrigo Gimenez, CFO

DEPARTMENT: Finance Department

ITEM

Approve budget amendment to allocate a reimbursement related to the Coronavirus Aid, Relief and Economic Security (CARES) Act in the amount of \$31,163. (Gimenez)

ITEM BACKGROUND

Under the CARES Act, the Coronavirus Relief Fund (CRF) is to be used to make payments for specified uses to states and local governments. The total CRF funding allocated to the state of Texas is approximately \$11 billion. The U.S. Treasury managed the initial distribution of these funds to states and jurisdictions with populations above 500,000. These 18 Texas jurisdictions (Austin, Bexar County, Collin County, Dallas County, Dallas, Denton County, El Paso County, El Paso, Fort Bend County, Fort Worth, Harris County, Hidalgo County, Houston, Montgomery County, San Antonio, Tarrant County, Travis County and Williamson County) received their allocation of the \$11 billion directly from the Treasury. The state is now making funds available for eligible expenses to the jurisdictions not included in the 18 jurisdictions listed above. Distribution of funds is based on a calculation of \$55 per capita. The City of South Padre Island received the initial 20% allocation in the amount of \$31,163. As of today, the City has identified approximately \$316,000 in expenses related to COVID 19.

BUDGET/FINANCIAL SUMMARY

Increase line item 70-46068 by \$31,163

QUARTERLY INVESTMENT REPORT

For the Quarter Ended

June 30, 2020

Prepared by

Valley View Consulting, L.L.C.

The investment portfolio of the City of South Padre Island is in compliance with the Public Funds Investment Act and the City's Investment Policy and Strategies.

City Manager

Chief Financial Officer

Disclaimer: These reports were compiled using information provided by the City. No procedures were performed to test the accuracy or completeness of this information. The market values included in these reports were obtained by Valley View Consulting, L.L.C. from sources believed to be accurate and represent proprietary valuation. Due to market fluctuations these levels are not necessarily reflective of current liquidation values. Yield calculations are not determined using standard performance formulas, are not representative of total return yields, and do not account for investment advisor fees.

(1) **Current Quarter Average Yield** - based on adjusted book value, realized and unrealized gains/losses and investment advisory fees are not considered. The yield for the reporting month is used for bank, pool, and money market balances.

(2) **Fiscal Year-to-Date Average Yield** - calculated using quarter end report yields and adjusted book values and does not reflect a total return analysis or account for advisory fees.

Economic Overview

6/30/2020

The Federal Open Market Committee (FOMC) maintained the Fed Funds target range at 0.00% to 0.25% (Effective Fed Funds are trading +/-0.08%). Worldwide and domestic economic activity popped-up as isolation protocols eased. However, continued positive COVID test growth may impact additional activity. The Yield Curve remains stabilized at current levels. The FOMC has signaled reduced rates for an extended period. Crude oil increased to \$40+ per barrel. Unemployment claims continued to rise, but June Non Farm Payroll surged to 4.8 million. The Stock Market wobbled but stabilized. Full recovery timeline still very uncertain.

**CITY OF SOUTH PADRE ISLAND
CITY COUNCIL
AGENDA REQUEST FORM**

MEETING DATE: August 5, 2020

NAME & TITLE: Rodrigo Gimenez, CFO

DEPARTMENT: Finance Department

ITEM

Approve second and final reading of Ordinance No. 20-05 amending Chapter 2 of the Code of Ordinances of the City of South Padre Island by providing for the change or establishment of all fees imposed for services by the City.
(Gimenez)

ITEM BACKGROUND

Every year, staff reviews and proposed changes to the current City’s Fee Schedule. For next fiscal year, staff is proposing the following adjustments:

Finance Department

Stop Check Payment Fee: \$35.00/transaction
Return Item Fee (NSF) : \$12/returned item

Transportation Department:

Training Room Fee for Government Entities \$25.00/hour - Min of 2 hours for \$50 - Max of 8 hours for \$150
Training Room Fee for Non-government Entities \$50.00/hour - Min of 2 hours for \$100 - Max of 8 hours for \$250

These fees were presented to City Council during the budget workshop of June 17th, 2020.

BUDGET/FINANCIAL SUMMARY

Annual fee schedule review

COMPREHENSIVE PLAN GOAL

Fee schedule is part of the annual budget review process

LEGAL REVIEW

DEPARTMENT: City Managers Office

ITEM

Public hearing regarding the 2020/2021 – 2024/2025 Capital Improvement Plan (CIP). (Delgado)

ITEM BACKGROUND

Section 5.09 of the charter requires that the City Manager annually prepare and submit to the City Council a five year capital program (Capital Improvement Plan).

Section 5.09 further requires that the capital program (Capital Improvement Plan) include:

1. A clear general summary of its contents.
2. Identification of the long-term goals of the community as stated in the City’s Comprehensive Plan.
3. A list of all capital improvements and other capital expenditures which are proposed to be undertaken during the fiscal years next ensuing, with appropriate supporting information as to the necessity for each.
4. Cost estimates and recommended time schedules for each improvement or other capital expenditure.
5. Method of financing upon which each capital expenditure is to be reliant.
6. The estimated annual cost of operating and maintaining the facilities to be constructed or acquired.
7. A commentary on how the plan addresses the sustainability of the community and the region of which it is a part.
8. Methods to measure outcomes and performance of the capital plan related to the long-term goals of the community.

The Capital Improvement Plan must be submitted no later than the time of submission of the operating budget for the ensuing fiscal year which is on or before sixty days prior to the beginning of each fiscal year (Home Rule Charter - Section 5.02). (July 29th, 2020)

Home Rule Charter - Section 5.10 requires that the City Council provide for a public hearing (August 5th, 2020) on the Capital Improvement Plan and shall give notice by publishing the general summary of the capital program and a notice stating: (July 16th, 2020)

1. The times and places where copies of the capital program are available for inspection by the public.

2. The time and place, not less than two weeks after such publication, for a public hearing on the capital program (Capital Improvement Plan).

The City Council by resolution shall adopt the capital program with or without amendment after the public hearing and at the same time it adopts the ensuing fiscal year budget.

General Summary

A capital improvement program (CIP) is a multi-year plan that identifies and prioritizes projects related to public facilities and services. On November 3rd, 2009, the voters approved a home rule charter for South Padre Island. Section 5.09 of the charter requires that the City Manager annually prepare and submit to the City Council a five year capital program (Capital Improvement Plan).

Section 5.09 further requires that the capital program (Capital Improvement Plan) include:

1. A clear general summary of its contents.
2. Identification of the long-term goals of the community as stated in the City's Comprehensive Plan.
3. A list of all capital improvements and other capital expenditures which are proposed to be undertaken during the fiscal years next ensuing, with appropriate information as to the necessity for each.
4. Cost estimates and recommended time schedules for each improvement or other capital expenditure.
5. Method of financing upon which each capital expenditure is to be reliant.
6. The estimated annual cost of operating and maintaining the facilities to be constructed or acquired.
7. A commentary on how the plan addresses the sustainability of the community and the region of which it is a part.
8. Methods to measure outcomes and performance of the capital plan related to the long-term goals of the community.

The Capital Improvement Plan must be submitted no later than the time of submission of the operating budget for the ensuing fiscal year which is on or before sixty days prior to the beginning of each fiscal year (Home Rule Charter - Section 5.02).

Home Rule Charter – Section 5.10 requires that the City Council provide for a public hearing on the Capital Improvement Plan and shall give notice by publishing the general summary of the capital improvement program and a notice stating:

1. The times and places where copies of the capital program are available for inspection by the public.
2. The time and place, not less than two weeks after such publication, for a hearing on the capital program.

The City Council by resolution shall adopt the capital program with or without amendment after the public hearing and at the same time it adopts the ensuing fiscal year budget.

CIP Introduction

The City of South Padre Island Capital Improvement Plan (CIP) is a valuable part of the community planning process. The CIP links local infrastructure investments with comprehensive plan goals, land use ordinances and economic development efforts. The CIP bridges the gap between planning and spending, between the visions of the comprehensive plan and the fiscal realities of improving and expanding community facilities. The purpose of the Capital Improvement Plan (CIP) policy is to create a fair and consistent process outlining procedures for proposing, evaluating, and adopting capital projects creating long-term benefits.

Goals

1. Preserving public health, safety and welfare

Providing the basic services that ensure citizen health and safety is the fundamental responsibility of local government. Programs of regular facility maintenance upgrades and expansion of government services to meet minimum federal, state and local standards are essential to any community. The cumulative effect of deferring major maintenance expenditures and basic improvement of essential services is often an expensive series of stopgap measures that fail to address comprehensive, long-term needs.

2. Anticipating the demands of growth

When related to the comprehensive plan, the capital improvements programming process works to anticipate investments in community facilities which are needed to serve or shape the pattern of growth and development.

3. Supporting economic development

Communities having sound fiscal health and high-quality facilities and services are attractive to business and potential residents. New corporate investment and reinvestment in a community may be influenced by improvements that enhance the quality of life for the company management and their labor force. Private decisions that bring jobs to an area and new taxes to a community are based not only on availability of water and sewer, but also upon the quality of schools, public safety, recreation opportunities and many other services.

4. Developing a fair distribution of capital costs

The CIP process allows for public discussion of the preferred means of distributing capital costs not only over time, but also among users of the facilities to be financed. Some communities prefer to pay for capital costs out of current revenues and absorb a high but single year tax increase. Other communities prefer to establish annual appropriations to capital reserve accounts to save for future projects. Still others feel that construction should take place as needed, and be funded by debt, returned by both existing and future users of the facility. In some cases, user fees may be deemed more appropriate than property taxes. Federal or state funds may also be available to help finance specific projects. The CIP process can promote discussion of fairness in fiscal policy.

5. Avoiding undue tax increases

Capital improvements planning is a means of avoiding the unpleasant surprise of expensive projects generating large property tax increases. While cost impacts cannot always be precisely determined in advance, the CIP fosters discussion of the distribution of the tax burden of new capital expenditures over time. A corollary benefit of fiscal stability and sound community facility planning can result in an improved bond rating.

Definition

The CIP is a five-year planning document adopted annually by the City Council to plan for capital improvements related to the City's beach renourishment efforts, streets and drainage, parks and recreational amenities, and facilities infrastructure. The Capital Improvement Plan is not to be confused with the Capital Improvement Budget. The Capital Improvement Budget is prepared each year in conjunction with the annual Operating Budget. It generally includes only those projects from the first year of the Capital Improvement Plan funded during the current year.

A capital project is defined as having a minimum cost of \$25,000 resulting in

1. Creation of a new fixed asset.

2. Enhancement to an existing fixed asset.

Typically, the life expectancy of a capital project is 20 years. Examples include construction or expansion of public buildings, the acquisition of land for public use, planning, and engineering costs and street construction.

CIP Development Process

The City Manager, or designee is responsible for coordinating the CIP process each year. Each Department Director will submit projects in a form and timeframe annually established by the City Manager. The City Council appointed a Capital Improvements Advisory Committee to prioritize and rank projects according to the criteria listed in Project Criteria Section. Citizens may submit capital projects for consideration electronically using the CIP Project Request Form available on the City's website: www.myspi.org. Forms will also be available in a written format in the lobby of City Hall at 4601 Padre Boulevard. Members of the public should forward all materials concerning their submission to the City Manager or designee to be incorporated into the CIP process.

Departments will include as part of their project proposal:

1. A **Project Description** providing an overview and justification of the project. Requests should be made and include estimated linear, square feet, or other applicable measurements.
2. In the **Comprehensive Plan Section**, each project submission must illustrate compliance with the Comprehensive Plan by linking the project to a specific goal or objective.
3. Under **Fiscal**, possible funding options must be identified including:
 - a. Operating Revenues
 - b. Reserves and/or Debt
 - c. Grants
 - d. Partnerships
 - e. Dedicated Fees
4. Proposed **Schedule** for design, bid, and construction.
5. Estimated **Operating Costs** - The estimated annual cost of operating and maintaining the capital asset.
6. **Sustainability** - Defines how the capital project contributes to the sustainability goals of the City.
7. Identification of **Project Leader**.
8. Complete **Notes** as necessary to explain the unique situations and circumstances pertaining to the project.

Additional information may be requested of the project by the City Manager/designee and/or members of the CIP Advisory Committee.

Project Criteria

The evaluation of proposed capital projects will be in accordance with the following criteria. Attachment A provides criteria scorecard used in the evaluation process.

1. **Public Health and Safety** – Project improving the public health and safety of the community will be rated with highest priority. Projects must demonstrate the benefit provided to the community and possible risks from not completing the project. Compliance with state and federal mandates fall under this category. (25 points)
2. **Recreation and Aesthetics** – Projects promoting recreational and aesthetic improvements opportunities for the City of South Padre Island citizens are considered priority. (10 points)
3. **Funding** – Funding availability considerations are included when ranking projects. Grants and funding partnerships are considered first followed by operating revenues, fund balance, and debt. Fund balance may only be used to fund capital projects if the use of reserves will delay or eliminate a proposed bond issue and sufficient fund balance exists to provide necessary contingency reserves. Debt may be issued to fund non-continuous capital projects benefiting future citizens only after alternative funding sources are explored. (15 points)
4. **Economic Development/Tourism** – Projects promoting desirable economic development and or enhancing tourism within the City shall be rated including but not limited to beach renourishment projects and the economic support of the convention and hotel industry. (20 points)
5. **Service and Operational Impact** – The service category prioritizes projects including promotion of improved service delivery or reduction of increased maintenance costs including rehabilitating aging infrastructure. A cost-benefit analysis shall be done to weigh the impact of project rehabilitation to determine if the project will reduce future ongoing maintenance costs. Performance data will also be analyzed when considering projects related to improved service delivery. Future operation and maintenance expenses will be considered as part of this analysis. (10 points)
6. **Strategic Alignment** – Projects will be evaluated to determine alignment with strategic priorities identified by the City Council and with strategic planning documents such as the Comprehensive Plan. (10 points)
7. **Sustainability** – Projects designed with environmental impact consideration and creation of the smallest possible ecological footprint and produces the lowest quantity of pollution possible. In an effort to make the City of South Padre Island more sustainable, projects considered environmentally conscious

1. and promote “sustainability thinking” will be awarded additional points through the sustainability criteria. (10 points)

CIP Amendment

Amendments to the CIP affecting the current fiscal year must be recommended by the City Manager and approved by the City Council through a budget amendment. Amendments will be considered according to project scoring criteria as previously identified. Higher priority will be given to projects necessary for the public health and safety, desirable economic development, and funding availability.

Calendar

Date	Item
4/16/2020	Capital Improvement Plan forms and instructions will be posted on the City’s website, distributed to staff and made available to the public.
5/22/2020	CIP project request forms are due back from the public and staff to the City Manager or designee.
6/17/2020	Draft CIP will be presented to City Council at the Budget Workshop.
7/16/2020	Publish a general summary of the CIP and note the time and places where copies of the CIP are available for public inspection.
7/29/2020	CIP will be officially submitted to the City Council.
8/5/2020	Conduct public hearing for discussion of 5 Year CIP.
8/19/2020	Consideration and action on approval of Resolution adopting the 5 Year CIP at the same time adopting the ensuing fiscal year budget.

Capital Improvement Plan Project List by Type:

Shoreline Projects:

- Beneficial Use of Dredge Material (BUDM)
- Coastal Management Program (CMP)
- RESTORE Act: Boat Ramp and Infrastructure
- Tompkins Channel Expansion
- Bayside Restoration
- Palm Street Boat Ramp
- Boardwalk on the Bay
- Marina

Public Works Projects:

- Drainage
- Street Reconstruction and Maintenance
- Laguna Boulevard Reconstruction
- Street Lights (Option 1, 2 & 3)

Parks & Recreation/Beautification Projects:

- John L. Tompkins Park Phase II
- Pickleball Court
- Padre Boulevard Beautification and Shade Structure Project
- Queen Isabella Causeway Lighting

Public Safety Projects:

- Upgrade Jail/Holding Facility Security and Cameras

Venue Tax Projects:

- November 2016 Venue Tax Election Project
 - A. Median Boardwalk & Sidewalk Improvements
 - B. Land Purchase and Development for Wind Sports Park
 - C. Amphitheater/Events Center/Convention Centre Expansion
 - D. Parking Structure

Capital Improvement Plan Project List by Rank:

Tier 1 Projects:

- Beneficial Use of Dredge Material (BUDM)
- Coastal Management Program (CMP)
- November 2016 Venue Tax Election Project
 - A. Median Boardwalk & Sidewalk Improvements
 - B. Land Purchase and Development for Wind Sports Park
 - C. Amphitheater/Events Center/Convention Centre Expansion
 - D. Parking Structure

Tier 2 Projects:

- Laguna Boulevard Reconstruction
- Street Reconstruction and Maintenance

Tier 3 Projects:

- Padre Boulevard Beautification and Shade Structure Project
- Drainage
- Bayside Restoration
- Tompkins Channel Extension

Tier 4 Projects:

- Restore Act: Boat Ramp and Infrastructure
- John L. Tompkins Park Phase II

Tier 5 Projects:

- Street Lights (Option 1, 2 & 3)

Tier 6 Projects:

- Palm Street Boat Ramp
- Boardwalk on the Bay
- Marina

Tier 7 Projects: (Any with less than 50 points)

- Upgrade Jail/Holding Facility Security and Cameras
- Pickleball Court
- Queen Isabella Causeway Lighting

Completed Capital Improvement Projects: (Updates Coming Soon)

- Multi-Model Transit Center - (Completed April 2019)
- Visitors Center Upgrades - (Completed June 2019)
- Water Tower Park Repairs - (Completed September 2018)
- John L. Tompkins Park Phase I
- Fire Station #1
- Tompkins Channel Dredging
- Boat Ramps at Bay Endings
- South PR 100 Street Lighting
- Coastal Management Program
- Streets
- Community Center (Old City Hall)
- Convention Center Improvements

The Project Evaluation Scorecards along the detailed Capital Improvement Project Request Forms are attached for each project listed in the fiscal year 2020/2021 Capital Improvement Plan.

Capital Improvement Plan Project Request Form

Project Title: Beneficial Use of Dredge Material

Prepared By: Kristina Boburka

Date Prepared: 5/1/2020

Project Leader/Department: Kristina Boburka - Shoreline Director, Shoreline Department

Comprehensive Plan Goal: Chapter III: Goal 1

Project Description

The beneficial use of dredge material project restores and protects the quality and function of the beach and dunes on South Padre Island by adding sand to the system and nourishing the beach. The beaches of South Padre Island are engineered beaches and by continually nourishing them, the project ensures there is continued access to and along the beach for the public, as well as for the endangered Kemp's ridley sea turtle and other wildlife.

The entrance channel of the Brazos Santiago Pass needs to continually be maintained to ensure access to the Port of Brownsville. The goal of this project is to place the beach quality sediment from the maintenance dredging onto South Padre Island's beaches. The City of South Padre Island works very closely with Cameron County, the US Army Corps of Engineers (USACE), and the Texas General Land Office (GLO) to place material onshore. The City coordinates with the USACE to determine how much sediment has shoaled in and the specific placement locations to develop an engineered beach template. The City partners with the GLO through the Coastal Erosion Planning & Response Act (CEPRA) to help fund this project.

Schedule	Estimated Duration
Estimated Start: <u>2020/2021</u>	<input type="checkbox"/> One-Year <input checked="" type="checkbox"/> On-Going <input type="checkbox"/> Multi-Year # of years: _____
Estimated End: <u>2024/2025</u>	

Fiscal

Cost Estimate Derived From: Actual Estimate Limited Information Based on Similar Projects Not Supported

Total Project Cost						
Sources	Year 1	Year 2	Year 3	Year 4	Year 5	Total
HOT- Fund 81	\$450,000	\$717,500	\$731,250			\$1,898,750
CEPRA- GLO	\$2,152,500	\$2,193,750				\$4,346,250

Operating Costs						
The estimated annual cost of operating and maintaining the capital asset.						
HOT- Fund 60						

Sustainability

Describe how the capital project contributes to the sustainability goals of the City.

The BUDM project contributes to the sustainability goals of the City by preserving and enhancing our natural resources on the beach. Without this project, the Island would be susceptible to high tides and major storms that can create massive surges that would destroy a good portion of the Island's beach and dune system.

Methods for Measuring Outcomes and Performance

The desired outcome of this project is to place a large amount of beach-quality sand into the beach and dune system of South Padre Island in an effort to widen the beach and strengthen and stabilize the dunes. A wider beach provides the Island a greater protection from erosion and sea level rise. Additional benefits include increasing the habitat for local wildlife, such as nesting habitat for the endangered Kemp's ridley and foraging habitat for the threatened Piping Plover. The measurable objective will be the final volume of sand deposited within the beach and dune system.

Project Criteria		Yes	No	Comments
1	Does the project preserve or improve public health, safety and welfare?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	The BUDM project will provide increased protection for the Island, residents, and structures.
2	Is this project a federal or state mandate?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	The City partners with the Texas General Land Office and the US Army Corps of Engineers.
3	Does this project promote recreational and/or aesthetic improvements?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	The BUDM project will provide a wider beach for visitors and community members to enjoy.
4	Is funding currently available?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project is funded through the GLO's CEPRA program and matched with the City's Fund 81.
5	Does this project support economic development?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project allows for us to continually to renourish the beach and is our biggest tourism driver.
6	Does the project improve service delivery or reduce maintenance costs?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	By renourishing our beach, this will lower the maintenance cost for our accesses and the dunes. A wider beach will protect structures from high tides.
7	Does this project align with the Comprehensive Plan Goals?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Chapter III: Goal 1
8	Does this project promote "sustainability" taking environmental impact into consideration?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project takes into account all environmental factors (sea turtle nesting, etc.) during project implementation.

Capital Improvement Plan Project Request Form

Project Title: Coastal Management Program (CMP)

Prepared By: Kristina Boburka

Date Prepared: 5/12/2020

Project Leader/Department: Kristina Boburka - Shoreline Director, Shoreline Department

Comprehensive Plan Goal: Chapter III: Goal 1

Project Description

The Texas Coastal Management Program (CMP) is funded through the National Oceanic and Atmospheric Administration (NOAA) and focuses on the state's coastal natural resource areas. The program is managed by the Texas Land Commissioner. The Texas General Land Office awards approximately \$2.2 million annually in grants, reviews federal actions in the Texas coastal zone to ensure consistency with the goals and policies of the CMP, supports protection of natural habitats and wildlife, and provides baseline data on the health of Gulf waters.

The federally approved program brings about \$2.2 million in federal Coastal Zone Management Act (CZMA) funds to Texas, most of which goes to state and local entities to implement projects and program activities. Texas is one of only a handful of coastal states that pass substantial amounts of CZMA funds through coastal communities for projects in the coastal zone.

In the past, the City has successfully applied for funding to improve beach accesses and an updated beach/dune study. The City is currently in the middle of working on the White Sands Street Drive-Over and Storm Surge Barrier and will start an updated beach/dune study in June 2020 (Cycle 24). The City was awarded Cycle 25 funds to improve Whitecap Beach Access and is currently working on Cycle 26 pre-proposals.

Schedule	Estimated Duration
Estimated Start: <u>2019/2020</u>	<input type="checkbox"/> One-Year <input checked="" type="checkbox"/> On-Going <input type="checkbox"/> Multi-Year # of years: _____
Estimated End: _____	

Fiscal

Cost Estimate Derived From: Actual Estimate Limited Information Based on Similar Projects Not Supported

Total Project Cost						
Sources	Year 1	Year 2	Year 3	Year 4	Year 5	Total
Fund 61	\$133,000	\$133,335	\$133,335	\$133,335	\$133,335	\$666,340
Fund 81	\$60,000					\$60,000
CMP Funds	\$288,000	\$200,000	\$200,000	\$200,000	\$200,000	\$1,088,000

Operating Costs						
The estimated annual cost of operating and maintaining the capital asset.						
Fund 60	\$10,000	\$10,000	\$10,000	\$10,000	\$10,000	\$50,000

Sustainability

Describe how the capital project contributes to the sustainability goals of the City.

The Coastal Management Program allows the City to protect, restore, and responsibly develop our Island's coast and natural resources. The City is able to improve accesses and safety through the program while making environmentally conscious decisions.

Methods for Measuring Outcomes and Performance

When awarded a project through the CMP, monthly progress reports are required throughout the granting period. The City keeps a record of all progress on current and future CMP projects.

Project Criteria		Yes	No	Comments
1	Does the project preserve or improve public health, safety and welfare?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Through CMP, the City is able to enhance public access to the beach and bay as well as enhance the natural resources on the Island.
2	Is this project a federal or state mandate?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	The CMP is funded through NOAA and implemented through the Texas General Land Office. All projects within the coastal zone are required to follow the CMP.
3	Does this project promote recreational and/or aesthetic improvements?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project enhances and promotes public access to both the beach and the bay.
4	Is funding currently available?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	The GLO opens grant cycles up each year. Matching funds through Fund 60, 61, 62, and 81.
5	Does this project support economic development?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project supports economic development by improving the Island's access and natural resources.
6	Does the project improve service delivery or reduce maintenance costs?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Emergency and public access are improved by continually working to update the City's accesses and amenities. Updated structures decrease the maintenance over time.
7	Does this project align with the Comprehensive Plan Goals?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Chapter III: Goal 1
8	Does this project promote "sustainability" taking environmental impact into consideration?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	All environmental factors are taken into consideration throughout project implementation. Mitigation is completed for any damages to the natural resources.

CIP Project Evaluation Scorecard

Capital Improvement Plan Project Request Form

Project Title: RESTORE Act: Boat Ramp and Infrastructure

Prepared By: Kristina Boburka

Date Prepared: 5/12/2020

Project Leader/Department: Kristina Boburka, Shoreline Department

Comprehensive Plan Goal: Chapter III: Goal 2

Project Description

In 2016, the City applied for three grants from the RESTORE Act fund. These funds are being distributed to the states that were impacted by the Deep Water Horizon/BP Oil Spill. Of the three grant applications, one was chosen to move forward, the Laguna Madre Boat Ramp. This project will encompass the purchase of land, construct a boat ramp, bulkhead, fish-cleaning stations, dock renovation/replacement, and the paving of a parking area to accommodate truck and boat trailers.

Schedule	Estimated Duration
Estimated Start: <u>2019/2020</u>	<input type="checkbox"/> One-Year <input type="checkbox"/> On-Going <input checked="" type="checkbox"/> Multi-Year # of years: <u>5</u>
Estimated End: <u>2023/2024</u>	

Fiscal

Cost Estimate Derived From: Actual Estimate Limited Information Based on Similar Projects Not Supported

Total Project Cost						
Sources	Year 1	Year 2	Year 3	Year 4	Year 5	Total
City of SPI			\$65,000	\$392,207		\$457,207
RESTORE Act		\$1,143,561		\$725,729		\$1,869,290

Operating Costs						
The estimated annual cost of operating and maintaining the capital asset.						
Unknown	\$2000	\$2000	\$2000	\$2000	\$2000	\$10,000

Sustainability

Describe how the capital project contributes to the sustainability goals of the City.

This project contributes to the City's sustainability goals by providing much needed access to the bay. The Laguna Madre is one of six hypersaline lagoons in the world and this project will provide access and educational signage.

Methods for Measuring Outcomes and Performance

RESTORE Act is a federally funded grant, which will require monthly or quarterly reporting to measure the outcomes and how the project is moving forward.

Project Criteria		Yes	No	Comments
1	Does the project preserve or improve public health, safety and welfare?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
2	Is this project a federal or state mandate?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
3	Does this project promote recreational and/or aesthetic improvements?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project will improve and promote boating access to the Laguna Madre.
4	Is funding currently available?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Funding is through the RESTORE Act and the City's match has yet to be determined.
5	Does this project support economic development?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This public boat ramp will attract visitors to the Island.
6	Does the project improve service delivery or reduce maintenance costs?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
7	Does this project align with the Comprehensive Plan Goals?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Chapter III: Goal 2
8	Does this project promote "sustainability" taking environmental impact into consideration?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	All construction for this project will take environmental risks into account. Mitigation will be completed for any damages to the bay and wetlands.

CIP Project Evaluation Scorecard

Project Name: Tompkins Channel Expansion

Capital Improvement Plan Project Request Form

Project Title: Tompkins Channel Expansion

Prepared By: Kristina Boburka

Date Prepared: 5/1/2020

Project Leader/Department: Kristina Boburka - Shoreline Director, Shoreline Department

Comprehensive Plan Goal: Chapter III: Goal 1 & 2

Project Description

Tompkins Channel currently runs from the north side of the Queen Isabella Causeway, along the bayside of South Padre Island until it terminates near Sunset Drive. This project would extend the Channel approximately 10,000 linear feet further north and terminate about one mile north of the Convention Centre where the projected landing site of the new causeway would be. It is a well-known fact that Tompkins Channel is a tremendous asset to the City and extending it northward by almost two miles will enable vessels to continue northward where future development is being planned. This will 'open up' the Convention Centre to potential fishing tournaments and therefore increasing tourism for the Laguna Madre area.

Back in 1988, Central Power and Light (CPL) installed an underwater electrical transmission line beneath the Laguna Madre to have redundancy in the electrical grid on South Padre Island. The existing overhead transmission line near the old Queen Isabella Causeway experiences numerous outages due to the corrosive environment and storm-related damages. The underwater line extends 7.27 miles across the bay from the Port Isabel substation and connects into the substation just south of the Convention Centre. As it was installed three feet below the sea floor, it will have to be lowered to accommodate the Tompkins Channel extension. The cost for this portion of the Channel extension is unknown at this time.

Schedule	Estimated Duration
Estimated Start: <u>2020/2021</u>	<input type="checkbox"/> One-Year <input type="checkbox"/> On-Going <input checked="" type="checkbox"/> Multi-Year # of years: <u>3-4</u>
Estimated End: <u>2024/2025</u>	

Fiscal
Cost Estimate Derived From: <input type="checkbox"/> Actual Estimate <input type="checkbox"/> Limited Information <input checked="" type="checkbox"/> Based on Similar Projects <input type="checkbox"/> Not Supported

Total Project Cost						
Sources	Year 1	Year 2	Year 3	Year 4	Year 5	Total
Unknown	\$150,000	\$100,000	\$750,000			\$1,000,000

Operating Costs						
The estimated annual cost of operating and maintaining the capital asset.						
Unknown				\$2,000	\$2,000	\$4,000

Sustainability

Describe how the capital project contributes to the sustainability goals of the City.

The Tompkins Channel expansion contributes to the City's sustainability goals by allowing greater access to the bay for all visitors and community members. The project is environmentally conscious in that it will mitigate for equal or greater damages done to the seagrass to increase habitat

Methods for Measuring Outcomes and Performance

If and once the Channel is expanded, we would have an overall maintenance plan for the entire Channel. This would include the shoaling rate and when the maintenance dredging would need to occur.

Project Criteria		Yes	No	Comments
1	Does the project preserve or improve public health, safety and welfare?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Provides more accessible area for public safety vessels to respond to emergency services on the bay.
2	Is this project a federal or state mandate?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
3	Does this project promote recreational and/or aesthetic improvements?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project promotes using the bay for fishing, kayaking, and more.
4	Is funding currently available?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Request for Qualifications went on for the maintenance dredging of Tompkins Channel and part of the requested work also included looking into the extension. Possible funding through CEPRA.
5	Does this project support economic development?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project supports bay recreational sports, which are a big draw to the Island.
6	Does the project improve service delivery or reduce maintenance costs?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
7	Does this project align with the Comprehensive Plan Goals?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Chapter III: Goal 1 & 2
8	Does this project promote "sustainability" taking environmental impact into consideration?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Any damage to wetlands and seagrass beds will be mitigated for.

Capital Improvement Plan Project Request Form

Project Title: Bayside Restoration (formally Rip Rap Bay Endings)

Prepared By: Kristina Boburka

Date Prepared: 5/21/2020

Project Leader/Department: Kristina Boburka - Shoreline Director, Shoreline Department

Comprehensive Plan Goal: Chapter III: Goal 1 & 2

Project Description

This project will encompass restoring and improving the City's bay street endings, bay side wetlands, and develop a living shoreline.

Wetlands are one of the fastest declining habitats in the US, with over half of America's wetlands experiencing degradation or lost entirely since 1780. Anthropogenic and environmental stressors on South Padre Island have cause the Island's wetlands to decline. This project could utilize beneficial use of dredge material that is non-beach quality material to help rebuild degraded wetlands.

Wetland restoration in conjunction with a living shoreline would provide a buffer for storm water runoff as well as storm surge during large weather events. Traditionally, 'hard, gray' materials have been utilized on the Island's bay side for protection. This project would allow more 'green' infrastructure to be used in place of the concrete bulkheads and rip rap. The living shoreline would restore black mangroves, seagrasses, and oyster habitats that are declining in the region due to a variety of natural and human-induced causes.

Schedule	Estimated Duration
Estimated Start: <u>2020/2021</u>	<input type="checkbox"/> One-Year <input checked="" type="checkbox"/> On-Going
Estimated End: <u>2024/2025</u>	<input type="checkbox"/> Multi-Year # of years: _____

Fiscal

Cost Estimate Derived From: Actual Estimate Limited Information Based on Similar Projects Not Supported

Total Project Cost						
Sources	Year 1	Year 2	Year 3	Year 4	Year 5	Total
HOT- Fund 60		\$150,000	\$100,000			\$250,000
HOT-Fund 62						
Unknown		\$150,000	\$750,000	\$750,000	\$500,000	\$2,150,000

Operating Costs						
The estimated annual cost of operating and maintaining the capital asset.						
HOT- Fund 60	\$1,000	\$1,000	\$1,000	\$1,000	\$1,000	\$5,000
HOT- Fund 62			\$1,000	\$1,000	\$1,000	\$3,000

Sustainability

Describe how the capital project contributes to the sustainability goals of the City.

The placement of beneficial use of dredge material would minimize disturbance to the existing habitat and would help the area to stay at pace with relative sea level rise and prevent losing these wetlands in the future. This project would serve as environmental restoration for the area and provide massive amounts of environmental uplift for the bay side of the Island. This will further protect not only the residences that are directly on the bay, but protect the Island as a whole from storm surge and erosion.

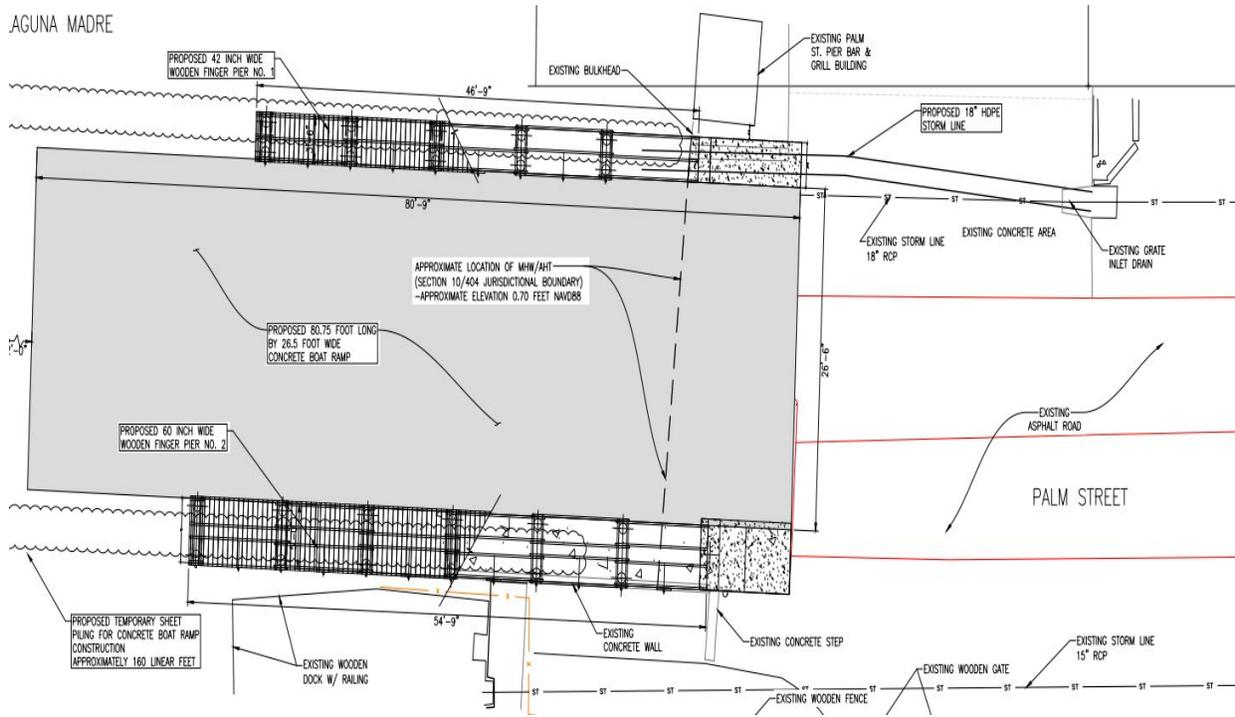

Methods for Measuring Outcomes and Performance

Part of this project will incorporate a monitoring plan for the bay street endings, restoration, and living shoreline to show the progress. Long term goals encompass increased ecology and biodiversity and decreased community risk. Drone footage over time will be able to give us insight on the progress of this project along with data collection.

Project Criteria		Yes	No	Comments
1	Does the project preserve or improve public health, safety and welfare?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Implementation of this project will provide increased safety for the Island, residents, and structures.
2	Is this project a federal or state mandate?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
3	Does this project promote recreational and/or aesthetic improvements?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project will promote fishing and improve the aesthetic looks on the City's bay side.
4	Is funding currently available?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Currently searching and applying for grants that can help with funding.
5	Does this project support economic development?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Creates more protected habitats for birds and other species, which attracts birders and nature enthusiast.
6	Does the project improve service delivery or reduce maintenance costs?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
7	Does this project align with the Comprehensive Plan Goals?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Chapter III: Goal 1 & 2
8	Does this project promote "sustainability" taking environmental impact into consideration?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project will actually create a more sustainable bay side with the use of green infrastructure.

Capital Improvement Plan Project Request Form

Project Title: Palm Street Boat Ramp

Prepared By: Kristina Boburka

Date Prepared: 5/12/2020

Project Leader/Department: Kristina Boburka - Shoreline Director, Shoreline Department

Comprehensive Plan Goal: Chapter III: Goal 2

Project Description

To improve access to the Laguna Madre, the City had been working on improving the boat ramp at the Palm Street bay ending, one of the two free, public boat ramps on the Island. The boat ramp here was originally designed and constructed for small boats and kayaks to launch from. The desire to launch larger fishing craft and boats had not come until recently. The City has worked with Hanson Professional Services Inc. (Hanson) to secure necessary leases and permits for this location. They have submitted to the City final drawings to widening and lengthen this boat ramp. This project is construction ready when the City is ready to move forward.

Schedule	Estimated Duration
Estimated Start: <u>2017/2018</u>	<input type="checkbox"/> One-Year <input type="checkbox"/> On-Going
Estimated End: <u>Unknown</u>	<input checked="" type="checkbox"/> Multi-Year # of years: <u>3</u>

Fiscal

Cost Estimate Derived From: Actual Estimate Limited Information Based on Similar Projects Not Supported

Sources	Year 1	Year 2	Year 3	Year 4	Year 5	Total
Fund 62	Unknown	Unknown	Unknown	Unknown	Unknown	Unknown

Operating Costs						
The estimated annual cost of operating and maintaining the capital asset.						

Sustainability

Describe how the capital project contributes to the sustainability goals of the City.

The improvement of this boat ramp will allow for more access to the Laguna Madre. This will allow for the enjoyment of the unique natural resources the Island has. The construction of the boat ramp will be done in a sustainable and environmentally friendly way. All permits and leases have been secured.

Methods for Measuring Outcomes and Performance

The final designs for this project have been received. The project is shovel ready for construction.

Project Criteria		Yes	No	Comments
1	Does the project preserve or improve public health, safety and welfare?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
2	Is this project a federal or state mandate?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
3	Does this project promote recreational and/or aesthetic improvements?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project promotes access to the bay for recreational activities.
4	Is funding currently available?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	A budget amendment from excess reserves would be required to move forward with this project or other funding secured. This project has not been bid out for construction.
5	Does this project support economic development?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This boat ramp is a free bay access point that attracts visitors to the Island.
6	Does the project improve service delivery or reduce maintenance costs?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
7	Does this project align with the Comprehensive Plan Goals?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Chapter III: Goal 2
8	Does this project promote "sustainability" taking environmental impact into consideration?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Any damages from the construction of this project will be properly mitigated for. Environmental considerations have been taken into account while planning this project.

Capital Improvement Plan Project Request Form

Project Title: Boardwalk on the Bay

Prepared By: Kristina Boburka

Date Prepared: 5/1/2020

Project Leader/Department: Kristina Boburka - Shoreline Director, Shoreline Department

Comprehensive Plan Goal: Chapter II: Goal 1: Strategy 1.1.1.9

Project Description

The revitalization of the Entertainment District has been identified by the City as a priority for many reasons, including economic development.

A major component of this is the boardwalk on the bay. The proposed boardwalk will be 12 feet wide and made of recycled plastic material that closely resembles wood to increase the life expectancy and decrease the maintenance requirements. The boardwalk will be lit at night to increase usage and safety during the prime hours that people are enjoying the Entertainment District and will stretch for +/- 3,400 linear feet from approximately Sunny Isle Drive to Swordfish Street. It will cantilever out over the bay and be constructed adjacent to a bulkhead and the proposed marina (addressed elsewhere in this document). Permits from the Texas General Land Office will be required.

Schedule	Estimated Duration

Operating Costs

The estimated annual cost of operating and maintaining the capital asset.

Unknown						

Sustainability

Describe how the capital project contributes to the sustainability goals of the City.

The addition of a boardwalk on the bay side of South Padre Island will allow for the protection and conservation of the bay side by giving visitors and community members a designated area to view and enjoy the bay. The Laguna Madre is one of six hypersaline lagoons in the world. Educational signage would be posted describing and detailing habitats and wildlife you might see. Construction of the boardwalk would be done in an environmentally conscious way; mitigation for any damage would take place as well to ensure there is no loss to the vital habitat.

Methods for Measuring Outcomes and Performance

Staff will work to research funding opportunities for the project. The coordination and involvement of bay side property owners would also need to be involved. Public open houses can be held in addition to meetings between key stakeholders to measure the performance of the project.

Project Criteria		Yes	No	Comments
1	Does the project preserve or improve public health, safety and welfare?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
2	Is this project a federal or state mandate?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
3	Does this project promote recreational and/or aesthetic improvements?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	A boardwalk will allow a designated location to overlook the Laguna Madre.
4	Is funding currently available?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
5	Does this project support economic development?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	The addition of a boardwalk will promote tourism on the bay and add to the Island's sightseeing spots.
6	Does the project improve service delivery or reduce maintenance costs?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
7	Does this project align with the Comprehensive Plan Goals?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Chapter II: Goal 1: Strategy 1.1.1.9
8	Does this project promote "sustainability" taking environmental impact into consideration?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Mitigation will take place to offset any damages to the wetlands/bay.

Capital Improvement Plan Project Request Form

Project Title: Marina

Prepared By: Kristina Boburka

Date Prepared: 01 May 2020

Project Leader/Department: Kristina Boburka - Shoreline Director, Shoreline Department

Comprehensive Plan Goal: Chapter VI: Goal 1: Strategy 1.1.8.1

Project Description

The establishment of a marina can be seen as not only an economic benefit to South Padre Island but also adds to the accessibility of the Laguna Madre and to the overall quality of life for the residents and visitors. The addition of a marina to the Entertainment District has been identified as a vital component by the Form Based Code Consultant and Commission. This marina will allow for a place to 'park' boats for a few hours or a few weeks while the owners enjoy what the Entertainment District has to offer. This addition will encourage the use and enjoyment of not only the bay, but the entire island. Approximately 120 boat slips are needed for this area, but there are currently very few boat slips available for public use. A public-private partnership (PPP) might be worth exploring.

Schedule	Estimated Duration

Operating Costs						
The estimated annual cost of operating and maintaining the capital asset.						
Unknown					\$10,000	\$10,000

Sustainability

Describe how the capital project contributes to the sustainability goals of the City.

The addition of a marina on the bay side of South Padre Island will allow for a designated area for boats to be parked while community members and visitors visit the Island. This will allow for the enjoyment of the unique natural resources we have. The construction of the marina will be done in a sustainable and environmentally friendly way to ensure all required permits are obtained and that all mitigation is completed. The EDC has conducted a sustainability survey related to this project that produced positive results and formed a committee to further vet the project.

Methods for Measuring Outcomes and Performance

Staff can search for funding sources that might best fit this project. Public open houses and stakeholder meetings can be conducted to ensure all parties involved are aware of the project status. Monitoring of the area post construction would allow for the City to see the usage and value of this project.

Project Criteria		Yes	No	Comments
1	Does the project preserve or improve public health, safety and welfare?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
2	Is this project a federal or state mandate?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
3	Does this project promote recreational and/or aesthetic improvements?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	The addition of a marina will allow visitors and community members a place to dock their boats, encouraging recreational fishing and boating on the Laguna Madre.
4	Is funding currently available?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
5	Does this project support economic development?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	A marina will encourage fishing and bay access.
6	Does the project improve service delivery or reduce maintenance costs?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
7	Does this project align with the Comprehensive Plan Goals?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Chapter VI: Goal 1: Strategy 1.1.8.1
8	Does this project promote "sustainability" taking environmental impact into consideration?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Mitigation will take place to offset any damages to the wetlands/bay.

Capital Improvement Plan Project Request Form

Project Title: Drainage - SPI

Prepared By: C. Alejandro Sanchez/Vedette Garza

Date Prepared: 5/27/2020

Project Leader/Department: C. Alejandro Sanchez - Public Works Director/Public Works Department

Comprehensive Plan Goal: Chapter IV: Goal 4

Project Description

During rain events, water washes over roofs, streets, driveways, sidewalks, parking lots and land surfaces. Along the way a variety of pollutants, such as oil, pesticides, metals, chemicals, and soil pollute the water discharged into the Laguna Madre Bay. These pollutants endanger water quality of waterways, making them unhealthy for people, fish, and wildlife. According to the National Weather Service (Brownsville Office), the City of South Padre Island receives on average 29.5 inches of precipitation annually. This creates millions of gallons of storm water runoff per year. The volume and speed of the runoff in some instances cause flooding and erosion, destroys natural habitat, and contributes to combined sewer overflows. Each drainage system across the Island helps storm water drain into the Laguna Madre Bay. Current drainage requirements by the Texas General Land Office do not allow for drainage directly into the Gulf of Mexico. All drainage must be east to west and the current system requires a wash over Padre Boulevard. Storm drains, ditches, and culverts all are prone to blockage of which trash and sand build-ups are the prime culprits. The City of South Padre Island cleans out storm water inlets annually. Current storm water inlets that have been identified as problems are being addressed with TX DOT to be repaired/replaced. In addition, the City has embarked on the preparation of a Master Drainage Plan to identify deficiencies in our storm water system.

Capital Improvement Plan Project Request Form

Project Title: Street Reconstruction and Maintenance

Prepared By: C. Alejandro Sanchez

Date Prepared: 5/27/2020

Project Leader/Department: C. Alejandro Sanchez - Public Works Director/Public Works

Comprehensive Plan Goal: Chapter III: Goal 1

Project Description
<p>The City's street system consists of approximately 47 lane miles of streets, all improved. With proper maintenance and renewal, streets along South Padre Island's arterials are designed to last 20 years. Neighborhood streets should last 40 years when adequately maintained. Rather than waiting for streets to deteriorate, City crews are extending existing funds by inspecting all streets every two to four years and targeting the right treatment at the right time on the right streets. Preventative maintenance like crack sealing and various forms of surface treatment, are used to slow the deterioration of streets.</p> <p>The City's Street Paving & Repair program maintains all curbed and non-curbed hard surface streets within the City limits. To maintain streets, the City:</p> <ul style="list-style-type: none"> • Identifies and prioritizes street repair projects. • Plans street repair or repaving each year, budget permitting. • Uses cost-effective maintenance techniques. • Schedules repair work to accommodate construction projects planned by utility companies and other City projects. • Notifies property owners in advance of road crews. • Barricade streets 24 and 48 hours before work begins. Street renovation projects include repaving, improving sidewalks through the City to promote more pedestrian usage, inclusion of curb and gutter, and widening to thirty-two feet from back-of-curb to back-of-curb ("back to back"). <p>2015/2016: 587,819 (PC), 147,528 (OC) 2016/2017: 2,549,585 (PC), 38,000 (OC) 2017/2018: 1,142,984 (PC), 37,000 (OC)</p>

Capital Improvement Plan Project Request Form

Project Title: Street Lights - Option 1

Prepared By: C. Alejandro Sanchez

Date Prepared: 6/3/2020

Project Leader/Department: C. Alejandro Sanchez

Comprehensive Plan Goal: Chapter II: Goal 1: Strategy 1.2.3.2.

Project Description

Adequate street lighting provides better security for areas where pedestrians and vehicles may interact, and crime is more likely to occur in poorly lit areas. There are some people that feel that street lighting causes "light pollution" and interferes with nighttime activities like stargazing. Those beliefs need to be taken into consideration and balanced with the safety needs of the general public. The street lighting is placed mid-block for adequate coverage and each light is a standard 250 KW high-pressure sodium (HPS) vapor lumen on a 30' wooden pole with a 14' arm. This enables the light to be placed high enough to cast the lighting out broadly and the 14' arm allows the light to be cast out over the right-of-way, avoiding interference from trees. On the east-west streets, there is typically 50 feet of right-of-way and a 16' utility easement located at the rear of the lots, where electric lines are currently installed. The maximum distance an overhead line can be run between poles is 100'. This will allow a new pole with a streetlight to be installed within the existing right-of-way and an overhead power line to be run from easement at the rear of the lot. American Electric Power-Texas (AEP-Texas) is the electricity provider for most of the Rio Grande Valley and will be contracted to perform the installation of the necessary lighting. A "Contribution-In-Aid" of Construction is required to be paid by the City to assist with offsetting the cost. This contribution is approximately \$2,200 per light/pole which includes materials and installation. (70 Poles)

Project Title: Tompkins Park Phase II

Prepared By: C. Alejandro Sanchez

Date Prepared: 6-3-2020

Project Leader/Department: C. Alejandro Sanchez - Public Works/Public Works

Comprehensive Plan Goal: Chapter III: Goal 2

Project Description

A well thought out and maintained park system can enhance the quality of life for permanent residents as well as tourists visiting South Padre Island. This same park system can also encourage healthy lifestyles and improve the overall health and well-being of users. A Master Park Plan was developed by the City of South Padre Island in April 2006 and again in November of 2013 and many of the established goals in the Plan revolve around providing recreational opportunities in the form of indoor and outdoor recreational facilities. The South Padre Island Master Parks Plan was completed and adopted in July 2018.

In December of 2002, the City Council purchased a 1.97-acre tract of land located at 6100 Padre Boulevard. The City Council put that property up for sale in 2010. They rescinded that action and took the property off the market in September 2011 and decided to set it aside as a potential future park. The City obtained a grant from Texas Parks and Wildlife and has broken the project down into two phases. Phase one included a restroom facility, a pump house, basketball court, two playgrounds, parking lot and miscellaneous fencing and site improvements at a cost of \$703,433. Phase two includes a walking/jogging track and exercise stations, benches, landscaping and irrigation, additional play equipment, picnic tables, a Bocce Ball Court, sail shade structures, soccer goals and a skate park.

Project Title: Pickleball Court

Prepared By: Debbie Huffman

Date Prepared: 5/19/2020

Project Leader/Department: Debbie Huffman - Parks and Recreation Manager/ Parks and Recreation

Comprehensive Plan Goal: Chapter III: Goal 2

Project Description

Pickleball is a paddle sport created for all ages and skill levels. Pickleball combines many elements of tennis, badminton and ping-pong. The proposed project would be located on the city owned land behind the visitors center. The project would include 4 standard courts and one tournament court and a possible future shade structure. Currently the John. L Tompkins basketball court area is used for pickleball when not being used. The Parks Department has 4 nets that are regularly checked out. The Convention Centre has also hosted many Pickleball related activities.

Capital Improvement Plan Project Request Form

Project Title: Padre Boulevard Beautification & Shade Structure Project

Prepared By: J. Victor Baldovinos

Date Prepared: 5/19/20

Project Leader/Department: J. Victor Baldovinos - EHSD Director/Environmental Health Services

Comprehensive Plan Goal: Chapter II: Goal 1 (Policy 1.1.1)

Project Description

The City maintains the free public transportation system, South Padre Island Metro, for 365 days per year. Encouraging people to use the alternative transportation methods helps alleviate challenges experienced with parking and traffic congestion. Parking has always been a problem during peak seasons on South Padre Island. Having an adequate system of sidewalks with shade devices that encourage people to walk to particular destinations, also improves public health. The addition of shade devices on this street will create a more pedestrian friendly environment for the community and visitors.

Schedule	Estimated Duration
Estimated Start: <u>2019/2020</u>	<input type="checkbox"/> One-Year <input type="checkbox"/> On-Going <input checked="" type="checkbox"/> Multi-Year # of years: <u>2</u>
Estimated End: <u>2020/2021</u>	

Fiscal

Cost Estimate Derived From: Actual Estimate Limited Information Based on Similar Projects Not Supported

Total Project Cost						
Sources	Year 1	Year 2	Year 3	Year 4	Year 5	Total
Unknown	\$100,000	0	0	0	0	\$100,000

Operating Costs						
The estimated annual cost of operating and maintaining the capital asset.						
Unknown	Unknown	Unknown	Unknown	Unknown	Unknown	Unknown

Sustainability

Describe how the capital project contributes to the sustainability goals of the City.

Overall, the shade structure project will encourage more pedestrians and recreational opportunities for citizens and visitors to enjoy the outdoors. This will hopefully create less vehicle traffic on South Padre Island.

Methods for Measuring Outcomes and Performance

Compare ridership numbers on the Island Metro.

Project Criteria		Yes	No	Comments
1	Does the project preserve or improve public health, safety and welfare?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	These shade devices will provide protection from the sun and heat.
2	Is this project a federal or state mandate?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
3	Does this project promote recreational and/or aesthetic improvements?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Not only will pedestrians take advantage of these shade devices, but also those that participate in recreational activities such as biking, roller blading, and jogging. The shade devices will provide aesthetic improvements to the sidewalks along Padre Blvd.
4	Is funding currently available?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
5	Does this project support economic development?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project will encourage people to get out of their vehicles and walk the streets of South Padre Island, which will encourage retail and restaurant traffic.
6	Does the project improve service delivery or reduce maintenance costs?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
7	Does this project align with the Comprehensive Plan Goals?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Chapter II: Goal 1 (Policy 1.1.1)
8	Does this project promote "sustainability" taking environmental impact into consideration?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Maximizing the amount of shade along sidewalks will increase pedestrian and biking traffic and decrease vehicle usage. This will reduce carbon footprint since vehicles produce one third of all U.S. air pollution.

Capital Improvement Plan Project Request Form

Project Title: Upgrade Jail / Holding Facility Security and Cameras

Prepared By: Claudine O'Carroll

Date Prepared: 5/20/2020

Project Leader/Department: Claudine O'Carroll - Police Chief/Police

Comprehensive Plan Goal: Chapter VIII: Goal 1

Project Description

Improve the jail/holding facility security systems. Background - the holding facility was built prior to 2008 and when the security protocols or measures were put into use, the city used a sole source provider with specific software and equipment to be used. This Dibos system (cameras, door access, control panel, software etc.) is managed by a company based in Houston. The current equipment being used is outdated and constantly breaking down. The cameras are no longer serviceable as the parts are no longer being made - equipment is all outdated. The company does not have cameras anymore that are compatible with the system and so we attempt to find elsewhere. The control panel that monitors the cell cameras is also outdated and there is no replacement board that can be used with DiBos as there are only 2 remaining boards in service nationwide (as of 2017). The software is also outdated and at this time IT does not have the capability to install DiBos on any new computers replaced within the City so it can only be monitored from 3-4 computers within the City. The intercoms in the jail do not work. This project needs to upgrade the entire jail security system features to include cameras, software, computer access, recording capabilities, storage, control board or panel, microphones, intercoms etc. As this system shuts down it cannot be fixed and the jail must have surveillance. It is necessary for the safety of inmates and officers, also for evidential purposes and for building and access security. Currently there are less expensive systems that offer higher quality picture resolution and audio that can be clearly understood. The jail may also need sound panels to control noise and pick up less feedback.

Unknown	Unknown	Unknown	Unknown	Unknown	Unknown	Unknown

Sustainability

Describe how the capital project contributes to the sustainability goals of the City.

This project is essential before the system currently in use shuts down. It will be an upgrade to the facility and sustainable for several years to come as software and equipment related is currently evolving and becoming more financially manageable. We will continue to use the holding facility for years to come, so we will continue to need the monitoring/recording features for the safety and security of personnel and the public.

Methods for Measuring Outcomes and Performance

Maintain schedule and break project in phases based on immediate needs and necessity. (Phased in approach - start with camera replacement (8 holding cells, booking area, intoxilyzer room, property room, sally-port) in the critical areas needed for security and then move to less critical areas such as lobby, hallways etc. This will need to be supported in the control room with new monitoring equipment linked to dispatch. Work to preserve current data on outdated system prior to transition to new software, making physical recordings or downloads of data. Start transition to new system and access for quality of new resource. When needs are met, then move to add less critical areas to the system and continue quality control measures throughout process.

Project Criteria		Yes	No	Comments
1	Does the project preserve or improve public health, safety and welfare?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project projects the safety of prisoners, the public and personnel.
2	Is this project a federal or state mandate?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	There will come a time in the near future when the State will regulate holding facilities as they do jails and prisons.
3	Does this project promote recreational and/or aesthetic improvements?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
4	Is funding currently available?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Staff is just beginning to research the cost related to this project.
5	Does this project support economic development?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
6	Does the project improve service delivery or reduce maintenance costs?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	The current system is outdated and parts are hard to find. The sole source provider does not currently maintain the system being used.
7	Does this project align with the Comprehensive Plan Goals?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Yes, preserving the public health, safety and welfare.
8	Does this project promote "sustainability" taking environmental impact into consideration?	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Capital Improvement Plan Project Request Form

Project Title: Median, Boardwalk & Sidewalk Improvements (Venue Tax Project)

Prepared By: C. Alejandro Sanchez/Vedette Garza

Date Prepared: 5/28/2020

Project Leader/Department: C. Alejandro Sanchez - Public Works Director/Public Works Department

Comprehensive Plan Goal: Chapter II: Goal 1, Chapter VI: Goal 1 & 3

Project Description

In 2008, the City embarked on a strategy to install raised concrete medians on Padre Boulevard to improve traffic and pedestrian safety. Raised medians were constructed from the "Padre Boulevard Frontage Road" north to Kingfish. To further that initial project, the City has now decided to extend those medians north to the Convention Centre. A Raised Median Analysis was completed, and the existing medians and crash reports analyzed. These studies determined that the accident rates between vehicles and vehicles/pedestrians dropped by 38% where the medians currently exist, hence the need to extend the raised medians. In addition to the safety factor, the raised medians will have lush tropical landscaping added to improve the aesthetics of the main corridor through the City. The Padre Boulevard sidewalks currently end at the Convention Centre. With the second causeway currently under Environmental Clearance proceedings, the northern areas of South Padre Island will be ripe for development. With this in mind, the City has begun the steps of extending those sidewalks further north to the northern end of the city limits. The new sidewalks will have to cross two wetland areas and will be converted to "boardwalks" at those locations so environmental damage can be minimized. The new sidewalks will be 6' wide and ADA compliant. This project was approved by the voters in November of 2016 as part of the Venue Tax Project.

Schedule	Estimated Duration

Sustainability

Describe how the capital project contributes to the sustainability goals of the City.

Creates additional landscaping areas along Padre Blvd.

Methods for Measuring Outcomes and Performance

Measure number of accidents though the corridor once the medians are complete to determine if the safety median analysis was correct in its results.

Project Criteria		Yes	No	Comments
1	Does the project preserve or improve public health, safety and welfare?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Improves the safety of all modes of transportation.
2	Is this project a federal or state mandate?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
3	Does this project promote recreational and/or aesthetic improvements?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Adds palm trees and plants in the medians.
4	Is funding currently available?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Venue Tax
5	Does this project support economic development?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project increases walk ability throughout the city, creating a more pedestrian friendly environment that will increase business foot traffic along Padre Blvd.
6	Does the project improve service delivery or reduce maintenance costs?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Provides better traffic flow, especially at the signalized intersections.
7	Does this project align with the Comprehensive Plan Goals?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Chapter II: Goal 1, Chapter VI: Goal 1 & 3.
8	Does this project promote "sustainability" taking environmental impact into consideration?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Provides additional areas of landscaping.

Capital Improvement Plan Project Request Form

Project Title: Land Purchase and Development for Wind Sports Park

Prepared By: Kristina Boburka

Date Prepared: 5/12/2020

Project Leader/Department: Kristina Boburka - Shoreline Director, Shoreline Department

Comprehensive Plan Goal: Chapter III: Goal 2

Project Description

Maintaining and preserving access to the Laguna Madre is vital to South Padre Island for many reasons. Presently, bay access is available but is very limited. Kite boarders, kayakers and other personal watercraft users have a few areas where they can launch their equipment from, but additional access points are needed. As South Padre Island grows further north, making access available will become a priority for the City. Acquiring land by purchase and/or donation near the new causeway will ensure access to the bay in the future. Discussions on land acquisitions started to acquire approximately 137 acres north of The Shores on the bay side. On this property, a silent water sports venue will be built to accommodate a structure for launching kayaks, kiteboards, paddle boards, and any other non-motorized personal watercraft.

Schedule	Estimated Duration
Estimated Start: <u>2019/2020</u>	<input type="checkbox"/> One-Year <input type="checkbox"/> On-Going
Estimated End: <u>2022/2023</u>	<input checked="" type="checkbox"/> Multi-Year # of years: <u>2-3</u>

Fiscal

Cost Estimate Derived From: Actual Estimate Limited Information Based on Similar Projects Not Supported

Total Project Cost						
Sources	Year 1	Year 2	Year 3	Year 4	Year 5	Total
Venue Tax	\$206,083		\$750,000			\$956,083

Operating Costs						
The estimated annual cost of operating and maintaining the capital asset.						
Venue Tax				\$5,000	\$5,000	\$10,000

Sustainability

Describe how the capital project contributes to the sustainability goals of the City.

Currently, the area that is utilized for the wind and water sport athletes is completely undeveloped which requires them to drive all over the marsh and wetlands. By developing this park, it will allow for the preservation and protection of the marsh, wetlands, and critical habitat for the piping plover.

Methods for Measuring Outcomes and Performance

The project is currently in the works and has a project schedule to show when items are to be due to the City. Updates have been given at meetings between the City and engineers as well.

Project Criteria		Yes	No	Comments
1	Does the project preserve or improve public health, safety and welfare?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
2	Is this project a federal or state mandate?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
3	Does this project promote recreational and/or aesthetic improvements?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project will improve access by developing a designated area for wind and water sport athletes to access the Laguna Madre.
4	Is funding currently available?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This project is funding through the venue tax.
5	Does this project support economic development?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This park will be an amenity, attracting visitors to the Island.
6	Does the project improve service delivery or reduce maintenance costs?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
7	Does this project align with the Comprehensive Plan Goals?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Chapter III: Goal 2
8	Does this project promote "sustainability" taking environmental impact into consideration?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Driveway and parking will be made from a permeable service as to reduce the footprint of this project. The bathroom will not require utility connections.

Operating Costs						
The estimated annual cost of operating and maintaining the capital asset.						
Venue/06-565	0	0	0	0	Unknown	Unknown

Sustainability

Describe how the capital project contributes to the sustainability goals of the City.

The City of South Padre Island has many of the key characteristics and requirement necessary to support an expansion to the SPICC. These include steady population growth and expansion and an economy geared toward the accommodation and food service industries, but a limited supply of meeting and event space which means that events are lost to other cities throughout the region. Like many destination communities, SPI faces challenges in establishing a greater basis for year round tourism.

Methods for Measuring Outcomes and Performance

The expanded SPICC is projected to host 85 events and attract a total of 65,095 attendees in year 1. The event schedule is projected to stabilize at 130 events in year 5, with a total attendance of 112,220 persons. These demands projections are in line with comparable facilities.

Project Criteria		Yes	No	Comments
1	Does the project preserve or improve public health, safety and welfare?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
2	Is this project a federal or state mandate?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
3	Does this project promote recreational and/or aesthetic improvements?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	The facility will bring more events of all types to the island and the design will blend in with the island's theme and aesthetics. Expanded art and sport opportunities for residents and visitors alike.
4	Is funding currently available?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Venue Tax
5	Does this project support economic development?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	This will bring for jobs and visitors to the island for the next few decades.
6	Does the project improve service delivery or reduce maintenance costs?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	The current facility cannot book larger events. The expansion will allow for us to regain business that we lost due to clients out growing the current space offered by South Padre Island.
7	Does this project align with the Comprehensive Plan Goals?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Chapter VI: Goal 1
8	Does this project promote "sustainability" taking environmental impact into consideration?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	The design will be with the most effective and affordable energy solutions available in 2020.

Capital Improvement Plan Project Request Form

Project Title: Parking Structure (Venue Tax Project)

Prepared By: C. Alejandro Sanchez/V.Garza

Date Prepared: 5/27/2020

Project Leader/Department: C. Alejandro Sanchez - Public Works Director/Public Works Department

Comprehensive Plan Goal: Chapter II: Goal 1

Project Description

Creation of a parking facility serving the basic function of parking vehicles as it relates to those visiting a venue, as well as designed to incorporate multi-use features including availability for residential and/or commercial development. The structure would facilitate visitors and/or residents' transition to and from their vehicles. Users of the facility need access to the beach benefiting local business and increase use of public transportation. The facility could also be a pick-up location for the City's free transportation system – Island Metro. This parking structure was approved by the voters in November of 2016 as piece of the Venue Tax project.

Schedule	Estimated Duration
Estimated Start: <u>Unknown</u>	<input type="checkbox"/> One-Year <input type="checkbox"/> On-Going
Estimated End: <u>Unknown</u>	<input checked="" type="checkbox"/> Multi-Year # of years: <u>5</u>

Fiscal

Cost Estimate Derived From: Actual Estimate Limited Information Based on Similar Projects Not Supported

Total Project Cost

**CITY OF SOUTH PADRE ISLAND
CITY COUNCIL
AGENDA REQUEST FORM**

MEETING DATE: August 5, 2020

NAME & TITLE: Nikki Soto, City Secretary

DEPARTMENT: Environmental Heath Services Department

ITEM

Update, discussion, and possible action regarding Padre Boulevard beautification and enhancement. (Bagley, McNulty, Ricco)

ITEM BACKGROUND

This item was taken to City Council on January 22, 2020 and this is an update on information for consideration.

BUDGET/FINANCIAL SUMMARY

Funding source will be discussed once the cost is identified

COMPREHENSIVE PLAN GOAL

5.52. Enhance existing beach access points to include additional amenities such as public showers

LEGAL REVIEW

Sent to Legal: No

Approved by Legal: No

RECOMMENDATIONS/COMMENTS:

**CITY OF SOUTH PADRE ISLAND
CITY COUNCIL
AGENDA REQUEST FORM**

MEETING DATE: August 5, 2020

NAME & TITLE: Alex Sanchez, Public Works Director

DEPARTMENT: Public Works Department

ITEM

Discussion and action related to the width of the sidewalk to the windsport park. (Sanchez)

ITEM BACKGROUND

The current Padre Boulevard plans have the sidewalks ending on the north end of The Shores. With the new windsports park being planned further north, continuity of the sidewalk would enhance the walk-ability from the current location to the entrance of the windsport park.

The future wind and wind sports park is within the vicinity of the Convention Centre and will be connected to the Convention Centre area and reachable via two independent means: (1) by sidewalks (part of which are connected to Padre Boulevard medians), and (2) by a sea-kayak trail.

Two options are being proposed for the sidewalk which would be a 12 foot wide sidewalk versus a 6 foot sidewalk.

BUDGET/FINANCIAL SUMMARY

6 foot wide - \$375,000

12 foot wide - \$509,000

The current unencumbered balance for the 2017 Venue Tax Revenue Bond is \$607,164.

Section 334.001(4)(B) of the Local Government Code provides that a "venue" means "a convention center, convention center facility as defined by Section 351.001(2) or 352.001(2), Tax Code, or related improvement such as a civic center hotel, theater, opera house, music hall, rehearsal hall, park, zoological park, museum, aquarium, or plaza located in the vicinity of a convention center or facility owned by a municipality or a county". Each of the improvements mentioned in the Proposition is, or will be, related to, physically connected by trails, walkways or medians to, and narrowly confined in geographic scope within the vicinity of, the City's Convention Center.

Detail attached.

COMPREHENSIVE PLAN GOAL

4.T. Improve Pedestrian Friendliness.

4.U. Provide a safe and attractive environment for walking and bicycling

4.V. Encourage transportation forms other than automobile

Padre Boulevard (PR 100) Sidewalk to Wind & Water Sports Discussion on Sidewalk Width

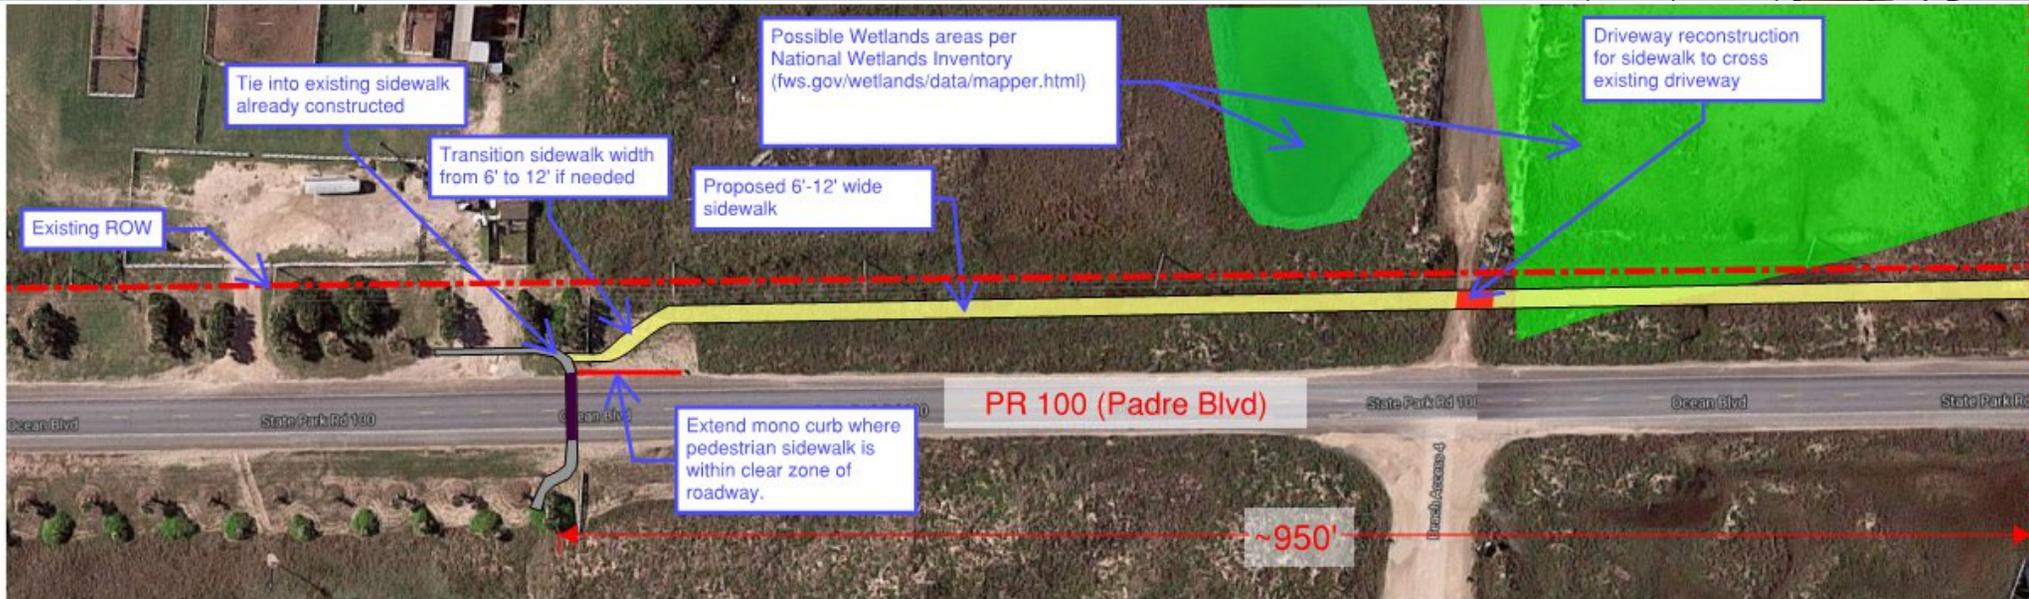

City Council Meeting August 5, 2020

Tom Grant, P.E., PTOE
Kimley-Horn and Associates, Inc.

Kimley»Horn

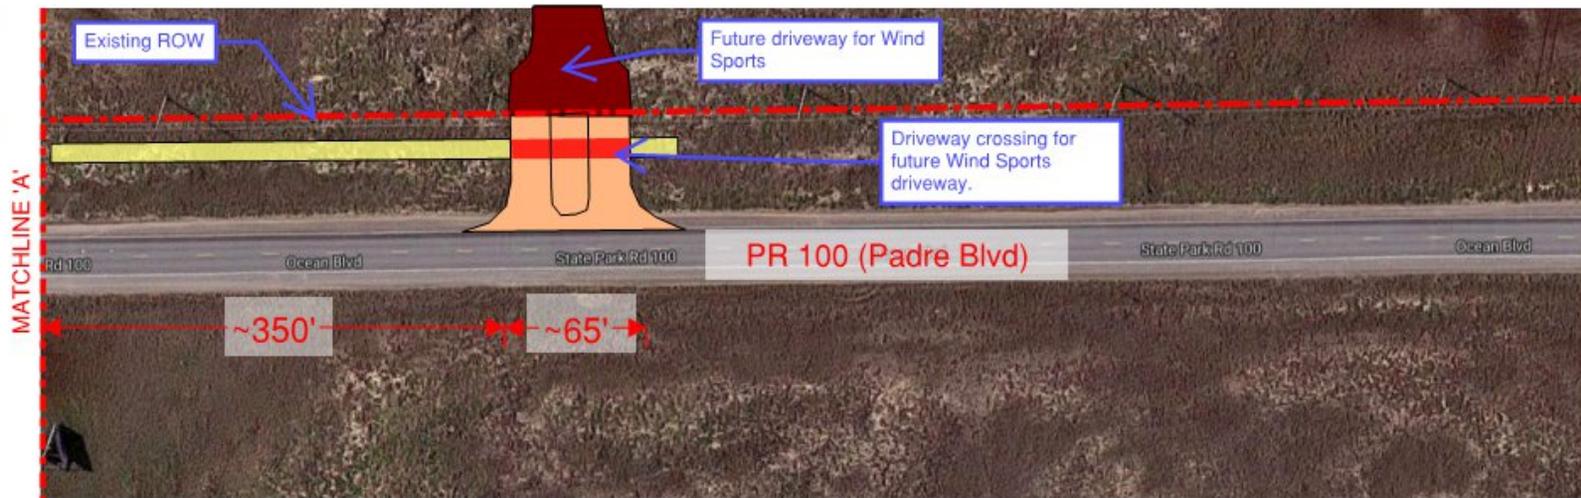

Concept

Assumptions:

1. less than .10 acre of wetland disturbance and no mitigation required
2. Irrigation system or hand watering whichever is cheaper
3. Two culvert crossings are assumed to go underneath the sidewalk at some point
4. One culvert crossing to go parallel to PR 100 underneath the new Wind Sports driveway
5. Wind Sports driveway permitted and constructed up to the ROW line with a curbed median filled with concrete. The Dune Protection Line (DPL) will be defined by the City on the east side of PR 100. No action anticipated by the contractor for dune protection/mitigation.
6. Grading, cut, and fill is subsidiary to the sidewalk pay item.

Sidewalk to Wind & Water Sports

- Design and permitting underway
- Going out to bid for construction
- Extending the sidewalk project within PR 100 right-of-way
 - 6' to 12' wide sidewalk on the west side of the street only
- Adding a northbound striped left turn lane using existing pavement / shoulder
- Constructing the Wind Sports driveway within the TxDOT right-of-way

Sidewalk under construction in The Shores at future Monarch Trail

ECON Cost Estimate (for reference only)

Cost Estimate - Sidewalks to Wind Sports

BASE BID TOTAL						\$ 452,488.20	\$ 330,808.20

- Adding striped turn lane and 10% contingency provides estimate of \$375,000 for 6' and \$509,000 for 12' wide sidewalk
- Driveway material TBD

City Council Discussion / Action

- Determine width of sidewalk (6' to 12'). Considerations:
 - *What level of usage is anticipated for the sidewalk?*
 - *Construction cost*
 - *Only constructing on west side of the Padre Blvd*
 - *In the future, could construct on east side of Padre Blvd with separate permitting*
 - *Through The Shores, we have 6' wide sidewalks on both sides of the street*
 - *10' width is the standard for considering it a shared use path (2-way travel for peds and bikes)*

**CITY OF SOUTH PADRE ISLAND
CITY COUNCIL
AGENDA REQUEST FORM**

MEETING DATE: August 5, 2020

NAME & TITLE: Kristina Boburka, Shoreline Director

DEPARTMENT: Shoreline Department

ITEM

Discussion and action to allow the City Manager to sign the Texas General Land Office's contract for the Coastal Management Program's Cycle 24 project, an investigation and assessment on the beach and dune system, and to approve a budget for the same. (Boburka)

ITEM BACKGROUND

The City applied through the Coastal Management Program (CMP) to perform an update of the 1993 Morton study. The City was awarded funds through Cycle 24. The project will start as soon as the contract is signed. Staff will begin working on Request for Proposals to send out.

BUDGET/FINANCIAL SUMMARY

The project would be split at a 60/40 match with the Texas General Land Office (GLO). Total project is \$150,000, \$90,000 from the GLO and \$60,000 from the City. Funds will come from the beach nourishment fund, Fund 81.

Increase line item 81-46050 (GLO Revenues) by \$90,000

Increase line item 81-581-0530 (Professional Services) by \$150,000

The current fund balance in the Beach Nourishment fund is approximately \$3.4 million.

COMPREHENSIVE PLAN GOAL

Chapter III. Parks and Resources

GOAL 1: The City shall ensure protection and conservation of natural resources, such as beaches, dunes, wetlands, Laguna Madre waterfront and native flora and fauna, allowing for their sustainable use and enjoyment by future generations.

Objective 1.1 Beach and dunes shall be protected from both natural and artificial erosion.

LEGAL REVIEW

Approved by Legal:

RECOMMENDATIONS/COMMENTS:

Contract:

Project Name: Assessment and Investigation of the Beach and Dune Conditions at South Padre Island

Subrecipient: City of South Padre Island

Contact: Kristina Boburka

Reporting Frequency: Monthly

Project Description:

The beach and dune system of South Padre Island (SPI) provides vital storm protection and supports the economic wellbeing of the island. A 1993 study of SPI's beach and dune system provided recommendations on how to best manage the shoreline. At the time of the study, dune and vegetation was scarce on the island. Since implementing study recommendations via a city ordinance on dune maintenance that required dunes be maintained at a height of 10-12 feet, SPI's dune system has vastly improved and the island has an almost complete dune system.

The City of South Padre Island (the City) will use Cycle 24 funds to complete a new study on the beach and dune conditions of SPI. The study will provide an updated analysis of the best management practices that should be considered given the current conditions of the SPI shoreline. The study will include extensive surveys and will use Lidar, topographic mapping, aerial photographs, beach profiling, and more to understand the current beach system and acquire insight into future beach changes. The recommendations from this study will be used to identify which beach types provide SPI with the best protection and update SPI's Chapter 22 in the Code of Ordinance. The study will also validate the height and width of the dune system to ensure sufficient storm surge and wave energy absorption.

The City will work closely with the Texas General Land Office's Beach and Dune Team to complete the study. The final analysis will be included in a report with recommendations on best management practices for the current and future beach and dune systems of SPI. The results from this study will guide the City in improving the community and visitor experience as it relates to the shoreline, creating a resilient coast, and protecting SPI's natural resources.

Project Budget:

	CMP	Subrecipient	Third Party	Project Totals
Salaries	\$0.00	\$0.00	\$0.00	\$0.00
Fringe	\$0.00	\$0.00	\$0.00	\$0.00
Travel	\$0.00	\$0.00	\$0.00	\$0.00
Supplies	\$0.00	\$0.00	\$0.00	\$0.00
Equipment	\$0.00	\$0.00	\$0.00	\$0.00
Contractual	\$90,000.00	\$60,000.00	\$0.00	\$150,000.00
Other	\$0.00	\$0.00	\$0.00	\$0.00
Subtotal:	\$90,000.00	\$60,000.00	\$0.00	\$150,000.00
Indirect	\$0.00	\$0.00	\$0.00	\$0.00
Total:	\$90,000.00	\$60,000.00	\$0.00	\$150,000.00

Special Award Conditions:

1. This project must be completed as described in this work plan.
2. The GLO and/or NOAA must approve any changes in the scope of work or budget requests that change the total project cost.
3. CMP and NOAA logos, including appropriate acknowledgment statement, must be printed on education/outreach materials, signs, final reports and/or publications.
4. Data must be shared in the appropriate manner as specified in the contract.
5. The subrecipient must coordinate with the GLO prior to issuing press releases, conducting media events, or otherwise engaging in media related communications for this project.

Task 1: Advertise and award contract for Research Services

The City will solicit research services through a Request for Proposals (RFP) in accordance with state and local standards and award a contract to the selected party. After the City selects a proposal, the City Council will award the contract.

Task 1 Deliverables:

1. Copy of Advertisement in local newspaper
Due Date: 8/30/2020
2. Copy of Request for Proposals
Due Date: 8/30/2020
3. Copy of Proposals received
Due Date: 9/30/2020
4. Copy of Contract with Research Services
Due Date: 10/31/2020

Task 2: Research and Design of Study

City staff will work with the selected consultant on a finalized plan to study the beach and dune system that will provide recommendations on beach/dune specifications and maintenance. The study design will include extensive surveys and will use Lidar, topographic mapping, aerial photographs, beach profiling, and more to understand the current beach system on the Island.

Data from previous surveys and studies will also be utilized to provide a background on what the Island's system has looked like in the past and how it has changed. For example, the City has worked with the GLO on providing annual beach surveys as a part of the CEPRA program. These surveys will be able to provide the historic data to look at the changes. The focus and study area of this project will be the entire southern portion of the Island where the beach is primarily managed. The City hopes to learn more about how the beach will change in the future and how we can best prepare in advance for that future beach profile. The City will coordinate with the GLO's Beach/Dune team to ensure work is consistent with the Beach/Dune Rules and local plan.

Task 2 Deliverables:

1. Copy of draft research/design plans sent to GLO beach/dune team

Due Date: 11/30/2020

2. Copy of final research/design plans for project

Due Date: 12/30/2020

Task 3: Project Monitoring & Reporting

The City will prepare and submit all reports, deliverables, and requests for reimbursement as required in the contract, to CMPreceipts@GLO.TEXAS.GOV. Monthly progress reports are due to CMPreceipts@GLO.TEXAS.GOV on the 10th day of every month of the contract duration. Requests for reimbursement are to be submitted at the same time as the progress reports to CMPreceipts@GLO.TEXAS.GOV, as specified in the contract.

A final report will be provided and will include the results of the study along with an updated analysis and recommendations on best management practices for the current and future system on SPI.

Task 3 Deliverables:

1. Monthly progress reports and requests for reimbursement

Due Date: Ongoing until 3/31/2021

2. Draft final report

Due Date: 3/15/2021

3. Final report

Due Date: 3/31/2021

4. Project closeout form

Due Date: 3/31/2021

Office of the Mayor

July 15, 2020

SECOND AMENDED EMERGENCY MANAGEMENT ORDER REGARDING BEACH OPERATIONS

WHEREAS, it is the responsibility of every American to aid in the prevention of the spread of this virus. Our hope is that by imposing these measures quickly and firmly, we will help bring this national emergency to an end quickly and help revitalize the economy we all enjoy as soon as possible.

WHEREAS, Section 418.108(a) of the Texas Government code provides that the presiding officer of the governing body of a political subdivision may declare a state of local disaster; and

WHEREAS, extraordinary measures must be taken to contain COVID-19 and prevent its spread throughout Cameron County, including the quarantine of individuals, groups of individuals, and property and, additionally, including compelling individuals, groups of individuals, or property to undergo additional health measures that prevent or control the spread of disease.

WHEREAS, the transmission of COVID-19 remains significant threat to the health and safety of the community, rates of infection are increasing at an exponential rate, and according to the Cameron County Health Authority and the Administration of all the local hospitals and the number of people admitted to the hospitals, ICU, or placed on ventilators is also dramatically rising; and

WHEREAS, the Mayor has determined that extraordinary emergency measures must be taken to mitigate the effects of this public health emergency; and

THEREFORE, the following are MANDATORY restrictions based on Texas Health and Safety Code Section 122.006, that a city can “adopt rules to protect the health of persons in a municipality” and in accordance with the City’s Declaration of a Local State of Disaster for Public Health Emergency issued on March 16, 2020, and section 418.108(A) of the Texas Government Code.

The following will be mandated immediately.

BEACH VENDORS

- Beach vendors can only preset the front-row following the spacing guidelines below.
- All non-single pole shade structures will be prohibited.
- All single-pole shade structures will be separated by a minimum of 15 feet from outside edge/tip of the structure.
- All secondary beach chairs and umbrellas must be stored at the dune line and setup on demand only.
- Chairs and umbrellas must be rented and occupied at the time of setup, for the secondary rows.
- Only two chairs per single pole shade structure will be permitted.

BEACH GOERS

- All types of canopies and pop-up tents will be prohibited. Single-pole shade structures larger than 8 feet (96-inches) in diameter will be prohibited.
- All single-pole shade structure will be separated by a minimum of 15 feet from outside edge/tip of the structure.
- Only two chairs per single pole shade structure will be permitted.
- Other setups are prohibited within the 15 feet between the equipment.

This emergency management order will remain in effect until August 5, 2020, at 11:59 p.m.

Peace Officers, City of South Padre Island Health Inspectors, Code Enforcement/Ordinance Officers/Inspectors are hereby authorized to enforce this order. A violation of this order is a Class C Misdemeanor punishable by a fine not to exceed \$500.00 in accordance with the City of South Padre Island Code of Ordinances.

Patrick McNulty, Mayor

ATTEST:

Angelique Soto, City Secretary

**CITY OF SOUTH PADRE ISLAND
CITY COUNCIL
AGENDA REQUEST FORM**

MEETING DATE: August 5, 2020

NAME & TITLE: Nikki Soto, City Secretary

DEPARTMENT: City Managers Office

ITEM

Discussion and action to approve Order of General Election for Municipalities for the November 3, 2020 general election for the purpose of election two Council Members (Mayor and Place 4). (Soto)

ITEM BACKGROUND

As required by State Law and Home Rule Charter, an election will be held on November 3, 2020 to fill the seats of Mayor and Council Member Place 4.

BUDGET/FINANCIAL SUMMARY

COMPREHENSIVE PLAN GOAL

Chapter VII. Governance and Community Relations.

Goal 1: The City shall maintain a "Home Rule" type of government and allow for a more stable environment for effective decision-making.

**CITY OF SOUTH PADRE ISLAND
CITY COUNCIL
AGENDA REQUEST FORM**

MEETING DATE: August 5, 2020

NAME & TITLE: Alex Sanchez, Public Works Director

DEPARTMENT: Public Works Department

ITEM

Discussion and possible action on PR 100 Median plan change to include a turning lane at or near Clipper Lane. (Ricco, Sanchez)

ITEM BACKGROUND

The owners of Clipper Lane boat ramp have requested the City to provide access to the boat ramp without having a boat trailer making a u-turn. Staff has met with Kinley-Horn to find an alternative solution to this request. Possible options have been preliminary drawn for City Councils review.

BUDGET/FINANCIAL SUMMARY

TBD

COMPREHENSIVE PLAN GOAL

4.P. Ensure suitable street infrastructure commensurate with traffic demands and volumes.

LEGAL REVIEW

Sent to Legal: No

Approved by Legal: No

RECOMMENDATIONS/COMMENTS:

Padre Boulevard (PR 100) Clipper Lane Median Access

City Council Meeting
August 5, 2020

Tom Grant, P.E., PTOE

Kimley»Horn

Clipper Lane Median Access

- Approved Plans (Option 1) include a full median opening at Palmetto Dr
- No direct left turn access provided to Clipper Ln / Parrot Eyes
- Request by Parrot Eyes for better access for boat ramp

Approved Construction Plans

Kimley»Horn

August 5, 2020 – City Council Meeting

Clipper Lane Median Access

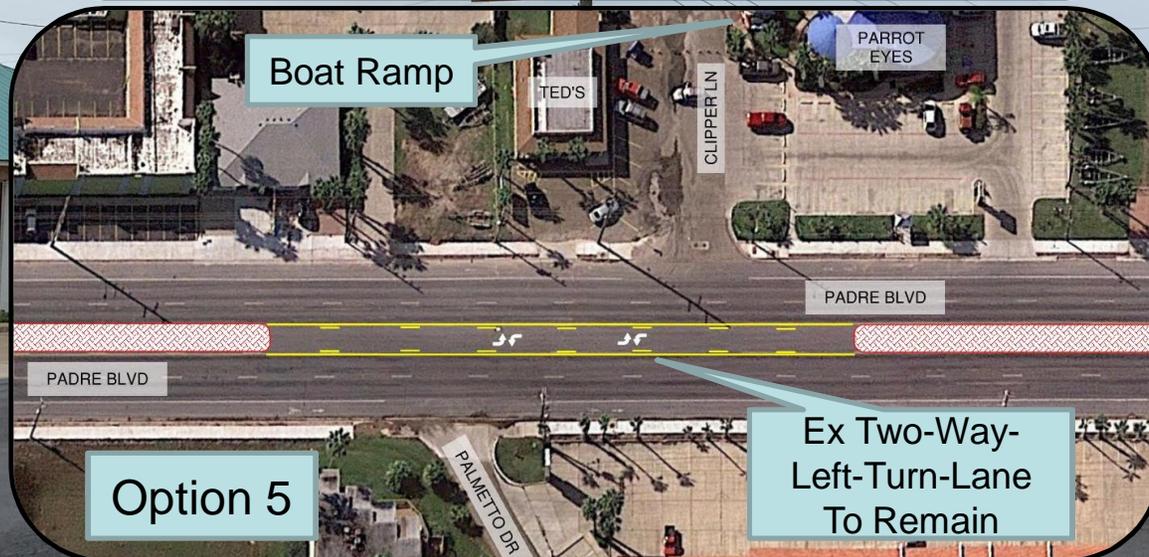

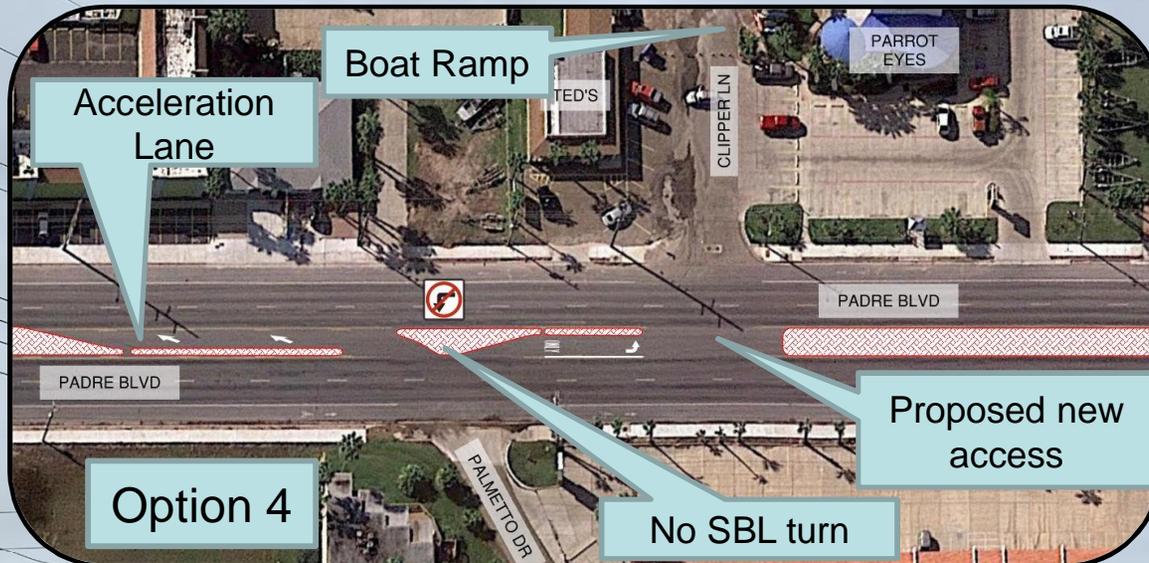

Option 2

- NBL turn lane into Parrot Eyes north driveway
- Maintains SBL turn lane onto Palmetto Dr and WBL onto Padre Blvd

Option 3

- NBL turn lane into Clipper Ln (Boat Ramp driveway)
- No Palmetto Dr median opening

Clipper Lane Median Access

Option 4

- NBL turn lane into Clipper Ln
- No SBL onto Palmetto Dr
- Acceleration Lane for WBL movement (vehicles turning left from Palmetto Dr to Padre Blvd)

Option 5

- Existing Two-Way-Left-Turn-Lane To Remain
- Full access at Palmetto Dr and Clipper Ln

Clipper Lane Median Access

Option 6

- Striping a turn lane between Palmetto and Clipper
- This option is not approved by TxDOT or Engineer
