

Water Interruption Notice  
South Padre Island, Texas  
August 29, 2022

City of South Padre Island is doing improvements to its storm drainage system in your area, and in order for work to be done properly, water will be turned off in your area. Work will be done by South Padre Island contractor that will be adjusting 12" water line along Laguna Blvd.  
**WORK TO BE PERFORMED ON WEDNESDAY- August 31, from 8:30 AM to 5:00 PM.**

In order for the work to be done safely and properly LMWD will be shutting down the water system in your area for an extended period of time and some areas will be experiencing low water pressure or no water at all. **The affected area will be Laguna Blvd. from W. Huisache St. to W. Jupiter Ln.**

LMWD recommends that our customers store water for sanitary use and for cooking in containers and or buckets. If there is a medical condition please, take this time to make the necessary arrangements at this time to meet your medical needs. LMWD also recommends that all businesses with water pumps or chillers, take the needed precaution to protect their property.

LMWD apologizes for any inconvenience this may cause to its customers.  
Work can be postponed due to weather conditions or LMWD emergencies.

Should you have any questions please feel free to contact the LMWD, at 956-943-2626.
