City of South Padre Island to receive the Triple Crown Medallion for financial reporting

South Padre Island, TX, Nov. 7, 2022: The Government Finance Officers Association (GFOA) has named the City of South Padre Island as a 2020 Triple Crown winner. The City is one of just 317 governments that received this special designation.

The award represents a significant accomplishment and reflects the commitment of the City Council and staff to meeting the highest principles of financial reporting.

The Triple Crown medallion has been awarded to signify that the City has received all three GFOA awards ((the Certificate of Achievement for Excellence in Financial Reporting Award, Distinguished Budget Presentation Award, and Popular Annual Financial Reporting Award).

“Being able to achieve these recognitions for multiple consecutive years demonstrates the City of South Padre Island Finance Department’s commitment to achieve the highest levels of transparency and accuracy in financial reporting,” stated Rodrigo Gimenez, Chief Financial officer. “This is a confirmation that the city has a strong financial framework and effective communication channels that enhance financial transparency”.

The Government Finance Officers Association advances excellence in government finance by providing best practices, professional development, resources, and practical research for more than 22,500 members and the communities they serve.
