## **PRESS RELEASE**

### **South Padre Island Parking Survey**

**South Padre Island, TX, March 18, 2026:** The City of South Padre Island is conducting a Parking Analysis and Long-Term Public Parking Strategy Study to evaluate current parking conditions and plan for the future needs for residents, businesses, and visitors. The *South Padre Island Parking Survey* will allow members of the public to share their feedback regarding public parking.

Residents, businesses, and visitors are encouraged to fill out the survey. Input gathered by the survey will be included in the SPI Parking Analysis and Long-Term Public Parking Strategy Study by Fishbeck and will provide essential background information for current and future City policy.

“If you have set foot on South Padre Island, you have parked on South Padre Island”, stated Patrick McNulty, Mayor, “The goal of the Parking Study is to create a sustainable and efficient parking system that enhances the visitor experience, supports local businesses, and improves the quality of life for residents.”

The City will also host a Public Parking Open House on Tuesday, March 31, 2026, from 3:00 p.m. - 7:00 p.m. at the City Council Chamber on the Second Floor of the Municipal Complex Building located at 4601 Padre Boulevard, South Padre Island, TX 78597. During the open house, project personnel will be on-site to collect public input related to parking on South Padre Island.

The deadline to complete the survey is Monday, April 20, 2026. The survey can be accessed by [clicking here](#).
